SNO	Name of the faculty	Department
1.	Rakesh Salakapuri	Assistant Professor

12. Programme Schedule (Minute to Minute)

- 2:00 – 2:10: Welcome & session introduction
- 2:10 – 2:20: Industry expectations from students
- 2:20 – 2:30: LinkedIn profile basics
- 2:30 – 2:40: Using AI for resumes & interviews
- 2:40 – 2:50: Live demo / examples
- 2:50 – 3:00: Q&A and closing

13. Description of Event (max. 250 words)

. The event titled “**Industry Readiness in the Age of LinkedIn and AI**” is organized by **Symbiosis Institute of Technology, Hyderabad**, in collaboration with the **IEEE SIT Hyderabad Student Branch, Microsoft AI Innovators Hub**, and the **Training and Placement Cell**. The session aims to equip students with practical knowledge and skills required to succeed in today’s competitive, technology-driven job market. The session will focus on how platforms like **LinkedIn** and emerging **AI tools** are transforming career development, networking, and recruitment processes. Students will gain insights into industry expectations, the importance of personal branding, and effective use of LinkedIn for professional growth. The speaker will also demonstrate how AI can be used responsibly for resume building, interview preparation, and skill enhancement.

The event will be led by **Mr. Nilesh Kataria, Co-Founder of RiseUp Career Studio**, who will share real-world industry experiences and practical strategies to help students become industry-ready. Through interactive discussions and live examples, participants will understand how to align their skills with current industry requirements.

Overall, the event is designed to guide students in making informed career decisions, improving employability skills, and confidently preparing for future opportunities in the age of LinkedIn and Artificial Intelligence.

Suggestions, if any _____

15. Details of Achieved Outcomes

The event successfully enhanced students' understanding of industry expectations in the digital era. Participants gained practical knowledge on building a strong and professional LinkedIn profile and learned how to use AI tools effectively for resume building, interview preparation, and career planning. The session helped students improve their awareness of personal branding, networking strategies, and ethical use of AI. Students also received clarity on required skills and career paths aligned with current industry trends. Overall, the event contributed to improving students' confidence, employability skills, and readiness for future professional opportunities.
