10	ABOUT SYMBIOSIS SOCIETY		

ABOUT UNIVERSITY

Symbiosis is one of India's leading educational Institutions, imparting quality education for over 40 years. Symbiosis is a family of 46 academic institutions spread across nine campuses in and around Pune, Nashik, Bengaluru, Noida and Dubai is host to over 40,000 students.

A 'FOREIGN AFFAIR' THAT FOUNDED SYMBIOSIS

The journey of a thousand miles begins with a single step. But it is the first step that involves deliberation and much hesitation. The Symbiosis journey, however, started with a surge of enthusiasm spurred on by an incident that makes a poignant tale.

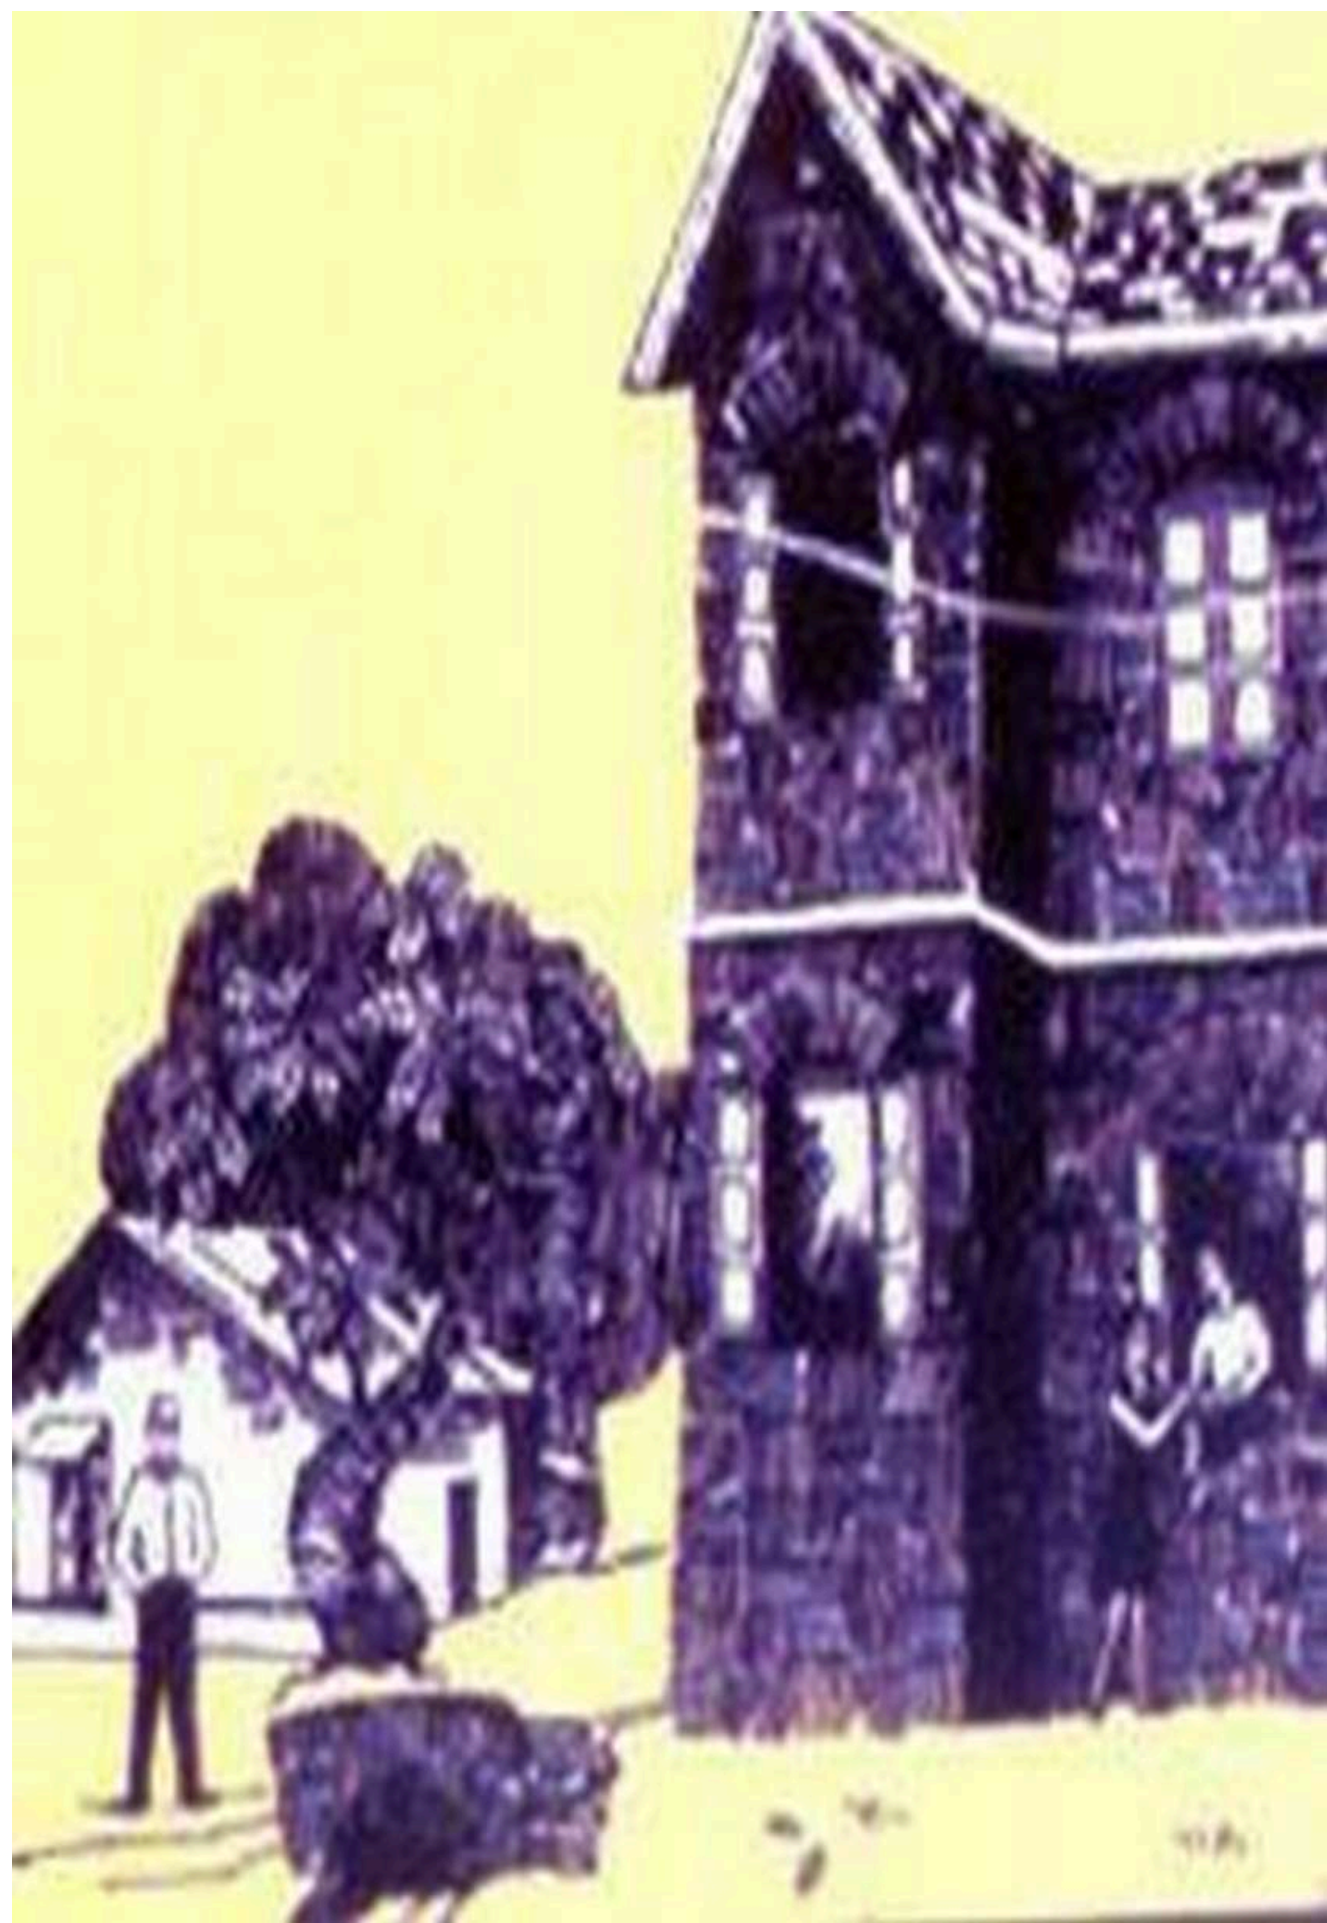

"It was afternoon on a hot day; I was standing near a window of my house overlooking the first hostel block, of which I was the rector. A strange thing happened. A girl walked up to the boys' hostel room window, quickly handed over something, and disappeared. My curiosity was aroused and I kept watching the girl walking up to the window day after day and suspected, like any other rector, that an affair was afoot. So one day, I decided to walk up to the door and knock. When the door opened, I saw a Mauritian student lying in bed. His face was pale, and his eyes sunken low. I was puzzled." "When I turned to the boy for an explanation, he said, 'Sir, I have an attack of jaundice & I'm feeling extremely weak. I cannot stand up, nor walk a few steps. A girl from my country brings me food. However, since ladies are not allowed to enter the boys' hostel, she hands over the tiffin box through the window.'

I was stunned. After all, it wasn't the type of " affair' I had expected. I was very much pained & decided something had to be done about this. "That was the instance, the golden moment that Symbiosis was born."

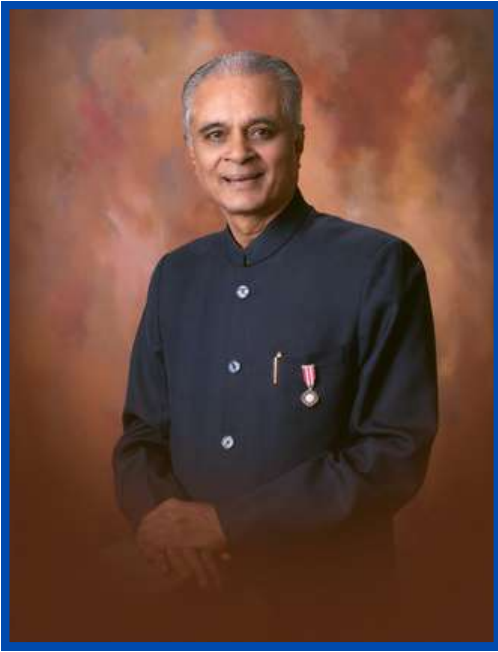

Symbiosis is a term in life science, meaning 'living together of two different organisms, for the benefit of each other'. Dr. Mujumdar, himself a professor of botany, thought this name would be optimal for the institution.

Thus, the institution was founded to alleviate the problems faced by international students coming to India. At the time, these problems included accommodation, meals, medical care, guidance, coaching, information about the city, etc.

Symbiosis has come a long way since then and is home to students from over 75 countries. These students are offered the best learning resources, industry exposure, a strong international students' alumni network, global recognition, and a truly enriching Indian experience.

FROM THE PRESIDENT'S DESK

Prof. (Dr.) Shantaram Balwant Mujumdar

Chancellor, Symbiosis International
(Deemed University)
Founder And President, Symbiosis.

My dear International Brothers & Sisters,

Welcome to India, Welcome to Pune, Welcome to Symbiosis. You are in a country where no one is a foreigner, and all human races have lived together for ages. You are in a country where teacher, mother and father are Gods, and do you know? Where you, the guest, too, are regarded as God.

You are in a country where women are worshipped and not merely loved, where nothing shines like the shyness of a woman.

You are in a country where poverty & nobility live together, where the poor great are more remembered than kings & monarchs, where sacred stones are more costly and greater than the most expensive diamonds.

You are in a country where right is might, humility is not weakness, & where Knowledge is power.

You are in a country where saints have a noble past, but sinners have a nobler Future. Into this country, my international brothers & sister,s may your stay Become happier, and your mind nobler& broader

FROM THE PRO CHANCELLOR DESK

Dr. Vidya Yeravdekar

Pro Chancellor, Symbiosis International University

Principal Director, Symbiosis Society

TEDx Speaker

Dr. Vidya Yeravdekar is the Principal Director of Symbiosis Society and Pro Chancellor of Symbiosis International University. Symbiosis International University is a multi-disciplinary, multinational, multi-cultural University having more than 45000 students from all States of India and international students from 85 countries. The Symbiosis Society not only has the Symbiosis International University under its ambit but also has K12 Schools, College of Arts and Commerce and Museums- the Afro Asian Cultural Museum and the Dr. Babasaheb Ambedkar Museum & Memorial.

FROM THE VICE CHANCELLOR DESK

Dr. Ramakrishnan Raman

Vice Chancellor

Symbiosis International (Deemed University)

Dr. Ramakrishnan Raman, an accomplished academician and seasoned professional, is the Vice Chancellor at Symbiosis International (Deemed University). With a remarkable educational journey that includes a Bachelor's Degree in Computer Science and Engineering, an MBA in Systems and Marketing, and a doctoral degree in Management from Pune University, Dr. Raman brings a wealth of knowledge and expertise to this esteemed institution. His extensive career spanning over two decades is a testament to his diverse experience in the corporate, academic, and research domains.

CONSTITUENT INSTITUTES / COLLEGES OF SI (DU)

FACULTY OF LAW

- Symbiosis Law School, Pune (SLS - Pune)
- Symbiosis Law School, Noida (SLS - Noida)
- Symbiosis Law School, Hyderabad (SLS - Hyderabad)
- Symbiosis Law School, Nagpur (SLS - Nagpur)

FACULTY OF MANAGEMENT

- Symbiosis Institute of Business Management, Pune (SIBM - Pune)
- Symbiosis Centre For Management and Human Resource Development (SCMHRD)
- Symbiosis Institute of International Business (SIIB)
- Symbiosis Institute of Management Studies (SIMS)
- Symbiosis Institute of Digital And Telecom Management (SIDTM)
- Symbiosis Institute of Operations Management, Nashik (SIOM - Nashik)
- Symbiosis Institute of Business Management (SIBM), Bengaluru
- Symbiosis Centre for Management Studies, Pune (SCMS - Pune)
- Symbiosis School of Banking and Finance (SSBF)
- Symbiosis Centre for Management Studies, Noida (SCMS - Noida)
- Symbiosis Institute of Business Management, Hyderabad (SIBM - Hyderabad)
- Symbiosis Institute of Business Management (SIBM), Nagpur
- Symbiosis Centre For Management Studies (SCMS), Nagpur
- Symbiosis Centre For Management Studies (SCMS), Bengaluru
- Symbiosis Centre For Management Studies (SCMS), Hyderabad
- Symbiosis Institute of Business Management, Bengaluru (SIBM - Bengaluru)

FACULTY OF COMPUTER STUDIES

- Symbiosis Institute of Computer Studies and Research (SICSR)
- Symbiosis Centre for Information Technology (SCIT)

- Symbiosis Institute of Design (SID)
- Symbiosis School of Planning, Architecture, And Design (SSPAD)
- **Faculty of Symbiosis Centre for Research and Innovation**
- **Symbiosis Centre for Research and Innovation (SCRI)**

SIU – VISION & MISSION

VISION

Promoting International understanding through quality education

MISSION

- To inculcate spirit of 'Vasudhaiva Kutumbakam' (the world is one family).
- To contribute towards knowledge generation and dissemination.
- To promote ethical and value-based learning.
- To foster the spirit of national development.
- To inculcate cross cultural sensitization.
- To develop global competencies amongst students.
- To nurture creativity and encourage entrepreneurship.
- To enhance employability and contribute to human resource development.
- To promote health and wellness amongst students, staff & community.
- To instill sensitivity amongst the youth towards the community and environment.
- To produce thought provoking leaders for the society.

SIT-HYDERABAD – VISION & MISSION

VISION

Transforming lives through excellence in engineering education, cutting-edge research, and innovation, empowering individuals with the skills and knowledge to shape a better, sustainable future.

MISSION

- **Design skill based Curriculum:** Develop a dynamic, career-focused curriculum that equips students with essential problem-solving skills, preparing them for both immediate employment and advanced studies.
- **Integrate Research with Learning:** Educate students on best practices in Computer Science by incorporating the latest research advancements, fostering a deep understanding of emerging technologies.
- **Advance Knowledge and Innovation:** Drive knowledge creation and dissemination in engineering, promoting research and innovation to solve real-world challenges and benefit society.
- **Strengthen Strategic Collaborations:** Build robust partnerships with industry, academic institutions, and international entities to create synergies that enrich learning and research opportunities.
- **Enhance Employability and Ethics:** Cultivate professional ethics and foster experiential learning to prepare students for successful, responsible careers.
- **Instill Ethical Leadership and Professionalism:** Develop ethical values, leadership skills, and professionalism in students, empowering them to contribute positively to community and societal advancement.

ABOUT THE DEAN, SIU

Prof. Ketan Kotecha, PhD (IIT Bombay)

Dean, Faculty of Engineering

Symbiosis International (Deemed University)

Dean Message

Welcome to the dynamic engineering world at SIT, where innovation is not just a goal but a way of life. At the forefront of technological advancements, we blend expertise, technology, and creativity to propel our community towards excellence. SIT is a centre for creativity, a beacon for learning, and a convergence point for ideas shaping the future. Our success is rooted in the unwavering commitment of our faculty members to academic rigour, groundbreaking research, and mentoring. Their dedication goes beyond the confines of classrooms, influencing the lives of our students in profound ways. Our overarching objective has always been to bring out the best in our students, moulding them into professionals with strong ethical and moral values. As you embark on your journey at SIT, you join a diverse community engaged in hands-on learning and cutting-edge research, paving the way for successful careers in business, government, or academia. Our faculty, involved in high-impact research across various domains, including Artificial Intelligence, Cyber Security, Block chain, Data Science, Robotics, GIS, Nano science, Cloud Computing, Embedded Systems, Infrastructure Design and Building Information Modelling (BIM), ensures that our students are exposed to the latest advancements in their field. Through creative instruction, hands-on projects, and involvement in various student competition teams, our undergraduates and postgraduates receive an exceptional educational experience. Industry-sponsored capstone projects and internships further foster professional ties, laying the groundwork for post-graduation success. At SIT, we strive to create an inclusive and dynamic environment where excellence in teaching, research, and service is paramount.

I look forward to working with each one of you and contributing to the success and growth of our vibrant engineering community. Should you have any comments, questions, or ideas, please feel free to email me at director@sitpune.edu.in

ABOUT THE DIRECTOR, SIT-HYDERABAD

Prof. Rajanikanth Aluvalu

Director, Symbiosis Institute of Technology
Hyderabad

It is a great pleasure and honour to serve as the Director of Symbiosis Institute of Technology, Hyderabad.

A very warm welcome to SIT Hyderabad. I am pleased to introduce Symbiosis Institute of Technology, Hyderabad, which began in 2024, to provide quality technical education and act as a holistic place for scientific research with a mission to develop human potential to the most significant degree. SIT Hyderabad offers Bachelor's Engineering Programs (Beach), specialising in Computer Science.

An institution is fundamentally shaped by its people. We are committed to recruiting exceptional individuals who will guide, mentor and support student learning and practice. Our student community, representing diverse backgrounds from around the globe, is integral to our growth and strength. Our vision is to create a dynamic, multidisciplinary institution that excels in delivering high-quality education, conducting original research and practice. This vision is the driving force behind our academy. The institute is preparing the next generation of leaders to carry this path forward in the years ahead.

Research undertaken at Symbiosis has gained momentum, with faculty and students publishing widely in peer-reviewed journals and making their presence felt at conferences and workshops within and abroad. SIT Hyderabad will continue. The Institute is committed to creating an ambience for nurturing innovation, creativity and excellence within its students.

Periodic Industry-Academia Conclaves and a strong emphasis on industry internships represent a few other instances of our commitment to a strong education-industry interface. The mandate of our Career Development Centre, as the name indicates, goes far beyond coordinating campus placements.

Development of robust infrastructure is our Institute, and the Institute has state-of-the-art centres and facilities for research and development in areas like High performance computing, Artificial Intelligence, data science and computational imaging.

If you are a prospective student or a potential colleague with any questions or concerns, please don't hesitate to contact us.

DETAILS OF INSTITUTION:

Name of Institution	Symbiosis Institute of Technology
Address and Map	Survey Number 292, Off Bangalore Highway, Modallaguda (V), Nandigama (M), Rangareddy Dist, Hyderabad, Telangana, India, Pin Code : 509217
State /UT	Telangana
Phone No. with STD	040-27232710, 703, 708, 705
Office hours	09:00 AM to 05:00PM (Monday to Saturday)
Academic hours at the Institution	09:00 AM to 05:00 PM (Monday to Saturday)
Website	www.sithyd.siu.edu.in

DETAILS OF AFFILIATING UNIVERSITY:

Name of the affiliating University	Symbiosis International (Deemed University)
Address of the organization	Symbiosis Knowledge Village Project, Taluka Mulshi, Village Lavale / Nande, District Pune - 412115
Website	www.siu.edu.in
Latest affiliation period	Permanent, SIU letter to UGC No. U-3/2009/2216 Dated, 19/08/2009
Chancellor	Prof. (Dr.) S.B. Mujumdar
Principal Director	Dr. Vidya Yeravdekar
Vice Chancellor	Dr. Ramakrishnan Raman
Registrar	Dr. M. S. Shejul

DEPARTMENTS AT SIT

Symbiosis Institute of Technology has three departments, established with the aim of providing the students the necessary support in academics or otherwise, for excelling in their respective fields of interest.

COMPUTER SCIENCE AND ENGINEERING – (INTAKE 120)

B. Tech (Computer Science and Engineering) is a full-time four-year graduation programme, which aims at transforming a student into a technically sound professional. The syllabus contains courses on basic sciences, technical arts, humanities & liberal arts and professional courses. The mix of these courses has been evolved with an aim to produce professionals who have knowledge not only of Engineering but who are good managers to contribute in a cross-functional team and have human values. Being a professional programme it ensures a healthy balance between theoretical foundation and practical exposure to the present world. The emphasis is to develop all round personality that would enable the students to take up the challenges of the corporate world and also become responsible citizens of the society.

COMPUTER SCIENCE & TECHNOLOGY – (INTAKE 30)

B. Tech (Computer Science and Technology) is a full-time four-year graduation programme, which aims at transforming a student into a technically sound professional. The syllabus contains courses on basic sciences, technical arts, humanities & liberal arts and professional courses. The mix of these courses has been evolved with an aim to produce professionals who have knowledge not only of Engineering but who are good managers to contribute in a cross-functional team and have human values. Being a professional programme it ensures a healthy balance between theoretical foundation and practical exposure to the present world. The emphasis is to develop all-rounder personality that would enable the students to take up the challenges of the corporate world and also become a responsible citizen of the society.

ARTIFICIAL INTELLIGENCE & MACHINE LEARNING – (INTAKE 30)

To generate competent manpower in the emerging areas of AI and Machine Learning. To inculcate among the students an aptitude for engineering and research in the area of AI and ML for generation of better and smarter solutions to real world problems.

DEPARTMENTS AT SIT

CSE (ARTIFICIAL INTELLIGENCE & MACHINE LEARNING) – (INTAKE 60)

B.Tech (Computer Science and Engineering-AIML) is a four-year undergraduate program designed to equip students with cutting-edge knowledge and skills in AI and ML technologies. This program blends core computer science fundamentals with specialized AI and ML techniques, including deep learning, natural language processing, computer vision, and data analytics. With a strong focus on practical applications, students gain hands-on experience through industry collaborations, research projects, and state-of-the-art laboratories. Graduates will be well-prepared for careers in AI-driven industries, software development, data science, robotics, and more, making them highly sought-after professionals in the rapidly evolving tech landscape.

FACULTY OF CSE & AIML

Research Interests & Expertise:

Prof. Rajanikanth Aluvalu

Professor

Broad areas:

- Cloud Computing
- Artificial Intelligence

Specific areas:

- Explainable AI
- Private AI
- Autonomous Systems

Research Interests & Expertise:

Dr. G Suryanarayana

Associate Professor

Broad areas:

- Data Science
- Artificial Intelligence
- Big Data Analytics

Specific areas:

- Model Building & Evaluation
- Natural Language Processing (NLP)
- AI-Assisted Decision Making
- Real-Time Data Analysis
- Predictive Analytics

Research Interests & Expertise:

Dr. Kranthi Kumar S

Associate Professor

Broad areas:

- Quantum Computing
- Cybersecurity
- Data Privacy

Specific areas:

- Quantum Cryptography and Quantum-Resistant Algorithms
- Attribute-Based Encryption (ABE) for Secure Data Exchange
- Secure Communication Protocols for IoT and Cloud Environments

FACULTY OF CSE & AIML

Research Interests & Expertise:

Dr. S Rama Subbareddy
Associate Professor

Broad areas:

- Deep Learning and Neural Networks
- Smart Cities and Smart Homes, Industrial IoT (IIoT)
- IoT Security and Privacy

Specific areas:

- Energy-efficient Communication Protocols for IoT
- Interoperable IoT Architectures Using Open Standards
- Anomaly Detection in Sensor Data using ML

Research Interests & Expertise:

Dr. S Rakesh
Assistant Professor

Broad areas:

- Machine Learning, Deep Learning
- Healthcare Data Analytics

Specific areas:

- Explainable AI
- Generative AI
- Medical Image Analysis
- Smart Cities

Research Interests & Expertise:

Dr. Kiran S
Assistant Professor

Broad areas:

- Internet of Things
- Artificial Intelligence
- Edge and Fog Computing

Specific areas:

- AI-based predictive analytics for Industrial IoT Real-time sensor data processing at the edge
- Intelligent energy management in IoT networks
- Low-latency decision-making using fog computing
- Security and privacy in distributed IoT systems

FACULTY OF CSE & AIML

Research Interests & Expertise:

Dr. Sriram Kumar P

Assistant Professor

Broad areas:

- Artificial Intelligence
- Computational Neuroscience
- Affective computing

Specific areas:

- Machine learning
- Deep Learning
- Emotion recognition

Research Interests & Expertise:

Dr. M. Santhosh Kumar

Assistant Professor

Broad areas:

- Machine Learning
- Deep Learning
- Reinforcement Learning

Specific areas:

- Smart Grids
- Islanding Detection
- Medical Image Analysis
- Predictive Maintenance
- Battery Management Systems

Research Interests & Expertise:

Dr. Kaushik Sekaran

Assistant Professor

Broad areas:

- Computer Networks
- Cloud Computing, Internet of Things
- Deep Learning

Specific areas:

- Distributed Computing
- P2P Computing
- LLMs
- Blockchain Technology

FACULTY OF CSE & AIML

Research Interests & Expertise:

Dr. M Srinivas

Assistant Professor

Broad areas:

- Computer Networks
- Cloud Computing, Internet of Things
- Deep Learning

Specific areas:

- Distributed Computing
- P2P Computing
- LLMs
- Blockchain Technology

Research Interests & Expertise:

Mr. Bibhuprasad Sahu

Assistant Professor

Broad areas:

- Machine Learning
- Deep Learning

Specific areas:

- Biomarker prediction using evolutionary algorithms and deep learning.

FACULTY OF CSE & AIML

Research Interests & Expertise:

Mr. P Narsimhulu
Assistant Professor

Broad areas:

- Computer Networks
- Cyber Security
- Internet of Things.

Specific areas:

- Healthcare Internet of IoV
- Routing optimization.

Research Interests & Expertise:

Mr. Sai Prashanth M
Adjunct Faculty

Broad areas:

- Smart Contracts & Decentralized Applications, Conversational AI
- Network Security
- Cloud & IoT Security, Generative Models (GANs, Diffusion)

Specific areas:

- Neuromorphic computing
- AI in healthcare, AI for robotics & autonomous systems
- self-supervised learning, AI in finance & risk analysis

FACULTY OF ELECTRONICS ENGINEERING

Research Interests & Expertise:

Dr. Dhruba Jyoti Bora

Assistant Professor

Broad areas:

- Biomedical Engineering
- Control Engineering

Specific areas:

- Transdermal Drug Delivery
- Electrical Equivalent Model
- Sensor Integration

FACULTY OF APPLIED SCIENCES AND HUMANITIES

Research Interests & Expertise:

Dr. Shshank Chaube

Assistant Professor,
Mathematics

Broad areas:

- Soft computing
- Reliability Theory

Specific areas:

- Fuzzy set theory
- Fuzzy reliability
- Decision making

Research Interests & Expertise:

Dr. Mohmad Ausif Padder

Assistant Professor,
Mathematics

Broad areas:

- Calculus
- Analysis
- Algebra

Specific areas:

- Mathematical Modelling
- Differential Equations
- Biological Systems

FACULTY OF APPLIED SCIENCES AND HUMANITIES

Dr. Akash Sharma

Assistant Professor,
Physics

Research Interests & Expertise:

Broad areas:

- Physics
- Material Science
- Energy Materials

Specific areas:

- Solar cell (theoretical & experimental)
- Photoelectrochemical Cell
- Nanomaterials
- Hydrogen evolution and storage

Dr. Amulya Prasad Panda

Assistant Professor,
Chemistry

Research Interests & Expertise:

Broad areas:

- Nanomaterials
- Water & Wastewater Treatment
- Polymer composites
- Surface Chemistry
- Adsorption

Specific areas:

- Remediation of heavy metals and metalloid
- Core-shell NPs
- Kinetics & Isotherm
- Groundwater Purification
- Nanocatalysts

Research Interests & Expertise:

Broad areas:

- English Language Teaching
- Indian English Literature
- Indian Diaspora Literature
- Soft Skills

Specific areas:

- English for Communication
- Task-Based Language Teaching (TBLT)
- Teaching English for Specific Purposes (ESP)
- Professional Communication Skills
- Post-Colonial Literature
- Indian Diaspora Literature
- Soft Skills Training

Dr. P. V. Vinitha

Assistant Professor
English

[SITH_AC_III_SEM_2025-26.pdf \(siu.edu.in\)](#)

Examination Grading System

- The CGPA system of 9 grades will be applicable for the batches admitted 2015 onwards. The grade points corresponding to nine grades will be as follows:

Name	Head	Contact details
O (Outstanding)	Top 3 %	10
A+ (Excellent)	12 %	9
A (Very Good)	21 %	8
B+ (Good)	28 %	7
B (Above Average)	21 %	6
C (Average)	12 %	5
P (Pass)	Bottom 3 %	4
F (Fail)		0
AB (Absent)		0

- Passing in a course means securing 40% of absolute marks in each of the heads.
- The grading of students will be done based on the relative performance of the students compared to the class.
- The absolute grading system is applicable to Projects/ Dissertations / Thesis /Internship courses under all faculties from season October 2020 as per the requirement of assessment.
- Absolute grading system shall also be applicable for all the courses where the student number is 15 or less in each course.
- Calculation of Grade points corresponding to grades based on absolute grading system:

Percentage	Grade	Grade point
90 % and above	O	10
80 % to 89.99 %	A+	9
70 % to 79.99 %	A	8
60 % to 69.99 %	B+	7
50 % to 59.99 %	B	6
45 % to 49.99 %	C	5
40 % to 44.99 %	P	4
Below 40 %	F	0

- In case of change in marks due to re-evaluation, the scores obtained by the student will be adjusted as per original range of marks of the grades.
- The End Semester Examination will be conducted by Symbiosis International (Deemed University).

ATKT:

A student will attend classes of all the years with his/her batch. However:

1. He/she cannot appear for the end Semester - 5 exams if he/she has CGPA less than 4.00 up to Semester - 2.
2. He/she cannot appear for end Semester - 6 exams if he/she has CGPA less than 4.00 up to Semester - 3.
3. He/she cannot appear for end Semester - 7 exams if he/she has CGPA less than 4.00 up to Semester - 4.
4. He/she cannot appear for end Semester - 8 exams if he/she has CGPA less than 4.00 up to Semester - 5.

Undergraduate Degree Programme

The students admitted to all the undergraduate programmes of the University will be allowed to keep term for a period of two years from the date of admission beyond the normal period of the programme. i. e. the student joining the three years programme must complete the programme in five years from the date of admission

Attendance Requirement

Minimum 75 % attendance in aggregate is mandatory for all the students of the University to be eligible to appear for the End Semester Examination of all courses. If the aggregate attendance is below 75 % then the student will not be granted permission to appear for the examination of the concerned course/s where the attendance is below 75 %.

All those students who are given Course Not Granted (CNG) / Term Not Granted (TNG) due to attendance less than 75 % will be appearing in the examinations in next session as backlog. Term Not Granted (TNG) / Course Not Granted (CNG) / Allowed to keep Terms (ATKT) students to pay backlog exam fees for the immediate as well as further subsequent attempts.

Students are advised to take the minimum attendance criteria very seriously to avoid severe consequences.

Internal & External Assessment

Performance of students at Symbiosis Institute of Technology is assessed through a two tier system. Students are graded internally throughout the semester based on their performance in Class Tests, Unit Tests, Quizzes, Home Assignments and other measures throughout the duration of the semester.

External assessment is done solely on the basis of the student's performance in the end of semester examination. External examinations are conducted under the supervision of an external examiner, with no tolerance to any form of indiscipline or unfair means.

In addition, Practical Assessment is also done for certain subjects which involves performance of practical experiments in the laboratory throughout the semester, as well as performance in Viva and Practical Exam.

For more details regarding examination rules of SIU, please see below link.

Anti-Ragging Squad

- During the first month of the semester for the new incoming batch, the institute organizes an anti-ragging squad comprising of faculty and staff of the institute. This squad visits the girls and boys hostel regularly to prevent ragging.

Anti-Ragging Affidavit

- In pursuance to the Judgement of the Hon'ble Supreme Court of India dated 08.05.2009 in Civil Appeal No. 887/2009, the University Grants Commission has framed "UGC Regulations on curbing the menace of ragging in higher educational institutions, 2009" which have been notified on 4th July, 2009 in the Gazette of India. These regulations are mandatory for all Universities/Institutions. The UGC has made it mandatory for all students/parents to submit anti ragging related affidavits to the institutions at the time of admission. These affidavits can be downloaded from the website of UGC and or related other websites and are reproduced below.

Other Measures

- The institute endeavors to prevent ragging by creating awareness among the students through posters, discussions, providing information on the institute website web site and by displaying notices on all notice boards of the institute and hostels.

OTHER COMMITTEES

INSTITUTE DEVELOPMENT COMMITTEE

The Institute development Committee of Symbiosis Institute of Technology has been constituted as under:

Dr. Rajanikanth Aluvalu	Chairperson
Dr. Shshank Chaube	Member Secretary
Dr. G. Suryanarayana	Member
Dr. Kranthi Kumar Singamaneni	Member
Dr. Akash Sharma	Member
Mr. Pallati Narsimhulu, Industry Connect Incharge	Member
Mr. Jangaiah, Account Officer	Member
Mr. V. Venkateswara Rao, OS	Member

GRIEVANCE REDRESSAL COMMITTEE

The Grievance redressal Committee of Symbiosis Institute of Technology has been constituted as under:

Dr. Rajanikanth Aluvalu	Chairperson
Dr. P.V. Vineetha	Member
Hasini Kurikala	Member
Mohammed Jissan	Member
Varshitha	Member
Varshith	Member
Harshit Divekar	Member
Dr. G. Suryanarayana	Member Secretary

QUALITY IMPROVEMENT CELL (QIC) COMMITTEE

The Quality Improvement Cell (QIC) Committee of Symbiosis Institute of Technology, Hyderabad for AY: 2024-25 has been constituted as under:

Director of the Constituent Institute Dr. Rajanikanth Aluvalu	Chairperson
External academician / researcher of repute to be nominated by the Director	Member
Two Assistant Professors nominated by the Director Dr. Akash Sharma Mr. Pallati Narsimhulu	Member
Office Superintendent Mr. V. Venkateswara Rao	Member
Vinay Chakravarthy	Student Member
Aamina Azeem Baig	Student Member
Harini	Student Member
D. Mokshagna Reddy	Student Member
Sree Sainadh	Student Member
Sumit Khandelwal	Student Member
Sneha Gandhi	Student Member
QIC coordinator to be nominated by the Director Dr. Kaushik Sekaran	Member Secretary

DISCIPLINARY COMMITTEE

The Disciplinary Committee of Symbiosis Institute of Technology has been constituted as under:

Dr. Rajanikanth Aluvalu	Chairperson
Dr. Kranthi Kumar Singamaneni	Member
Dr. Akash Sharma	Member
Ananya Srivastava	Student Member
Mahesh Jella	Student Member
Nikhitha	Student Member
K. Sri Charan Rao	Student Member
Varshini	Student Member
Aparna Velpuri	Student Member
Mr. Pallati Narsimhulu	Member
Mr. V. Venkateswara Rao	Member Secretary

INDUSTRY INSTITUTE INTERACTION CELL

The Industry Institute Interaction cell of Symbiosis Institute of Technology has been constituted as under:

Dr. Rajanikanth Aluvalu	Chairperson
Dr. Amulya Prasad Panda	Member
Mr. Pallati Narsimhulu	Member
Dr. Shshank Chaube	Member Secretary
Juveriya Khan	Student Member
P. Karthik	Student Member
Saanvi Dande	Student Member
N. Abhinav	Student Member
Raj Aryan	Student Member

LIBRARY COMMITTEE

The Library Committee of Symbiosis Institute of Technology has been constituted as under:

Dr. Rajanikanth Aluvalu	Chairperson
Dr. Sangeeta Paliwal-SIU	Invitee- Advisor from SIU Central Library
Dr. Marimganti Srinivas	Library Member
Dr. Somula Rama Subba Reddy	Member
Mr. V. Venkateswara Rao	Admin Office Member
Asmi Agarwal	Student Representative
Mallepally Shasikiran	Student Representative
V.Karthik	Student Representative
Mrigank Pandey	Student Representative
MD. Zakiur Rahman	Student Representative
Ravi Partha Sarathi Gunda	Student Representative
Mr. Subarnaneil Aich	Asst. Librarian
Dr.Vuppala Lingaiah	Librarian, Member Secretary

STAFF WELFARE COMMITTEE

The Staff Welfare committee of Symbiosis Institute of Technology has been constituted as under:

Dr. Rajanikanth Aluvalu	Chairperson
Dr. Shshank Chaube	Member
Dr. Kranthi Kumar Singamaneni	Member
Dr. Akash Sharma	Member
Dr. Santhosh Kumar Goud	Member
Dr. G. Suryanarayana	Member
Mr. Pallati Narsimhulu	Member Secretary

INSTITUTE RESEARCH COMMITTEE CELL

The Institute Research Committee of Symbiosis Institute of Technology has been constituted as under:

Dr. Rajanikanth Aluvalu	Chairperson
Dr. Somula Rama Subba Reddy	Member
Mr. Bibhuprasad Sahu	Member
Dr. Siripuri Kiran	Member
Dr. Dhrubajyoti Bora	Member
Dr. Peddapalli Sriram Kumar	Member
Dr. Amulya Prasad Panda	Member
Dr. Salakapuri Rakesh	Member
Dr. Ausif Padder	Member
Dr. Kranthi Kumar Singamaneni	Convenor (In-charge)

ACADEMIC INTEGRITY COMMITTEE

In compliance with UGC's (Promotion of Academic Integrity and Prevention of Plagiarism in Higher Education Institutions) Regulations, 2018, and in conformity with Symbiosis International (Deemed University) Rules for Promotion of Academic Integrity and Prevention of Plagiarism, 2019, Academic Integrity Committee (AIC) has been constituted as under:

Dr. Rajanikanth Aluvalu	Chairperson
Dr. Kranthi Kumar Singamaneni	Member
Dr. G. Suryanarayana	Member
Dr. Akash Sharma	Member
Dr. Somula Rama Subba Reddy	Member
Mr. P. Devender	Member
Mr. Subarnaneil Aich	Member
Dr. Salakapuri Rakesh	Member

INTERNET SOCIETY COMMITTEE

The Internet Society Committee of Symbiosis Institute of Technology has been constituted as under:

Dr. Rajanikanth Aluvalu	Chairperson
Dr. Dhrubajyoti Bora	Member
Meenakshi Vedala	Member
Smaran Jaianand	Member
Varshitha	Member
Asmi Agarwal	Member
Ravi Partha Saradhi	Member
K. Venkatesh	Member
Saanvi Dande	Member
Dr. Santhosh Kumar Goud	Member Secretary

IEEE SYMBIOSIS INSTITUTE OF TECHNOLOGY – HYDERABAD STUDENT BRANCH

The IEEE Student Branch at Symbiosis Institute of Technology, Hyderabad, was officially formed on 13th December 2025 with a vision to nurture innovation, technical leadership, and global collaboration among aspiring engineers. Since its inception, the branch has rapidly emerged as a vibrant platform for professional growth, organizing impactful events such as tech workshops, industry talks, and student-led research initiatives. The branch has also successfully enabled access to IEEE scholarships, travel grants, and best paper awards, empowering students to showcase their talents on national and international stages.

IEEE SIT Hyderabad Student Branch Core Committee:

Student Branch Counselor	Dr. Rajanikanth Aluvalu
Student Branch Advisor	Mr. Sai Prashanth Mallellu

IEEE SIT Hyderabad Student Branch Core Committee:

Chair	Ms. Pasumarthi Venkata Lakshmi Srujana
Vice Chair	Ms. Saanvi Dande

Dr. Siripuri Kiran	Member Secretary

Medical Facilities for Students:

The Symbiosis Centre of Health Care (SCHC) was established on 14th June 1997 as an 'In-house Health Care Unit' of Symbiosis. Under the Health Promoting University (HPU) initiative of Symbiosis International (Deemed University), SCHC undertakes a host of preventive, promotive & curative healthcare services for the students and staff of the Symbiosis family. The vision of SCHC is 'Envisioning a state of positive health in the community' and its mission statement is 'To promote health & wellness amongst students, staff, and community. It is operational at all the campuses of Symbiosis across India.

Promotive healthcare facilities:

1. Health Promotion Program: With an aim to spread health awareness and promote positive health amongst students, interactive sessions are organized by subject experts on various healthcare-related issues.
2. The Campus Wellness Advisory Committee promotes stakeholder engagement to evaluate and improve existing healthcare services, processes, policies, and the quality of programs.
3. Advice on best practices for Environmental Assessment & Modification to ensure the creation & maintenance of environments that promote good health through
 - a. Inspection of Campus
 - b. Inspection of eating establishments thrice a year- of Canteen, Mess & Food counters (e.g. Coffee shops, Juice Centers, ice cream Parlors)
 - c. Guidance for water testing for the availability of potable water on campus

Preventive healthcare facilities:

1. Annual Health Check-up (AHC) of the students/ staff of Symbiosis is conducted and health records are maintained electronically. The comprehensive health check-up comprises clinical examination from different disciplines (Physician, Ophthalmologist, ENT specialist & Dentist) & basic Lab investigations (Haemogram, Blood group & Urine examination).
2. Pre-employment Health Check-up: Before joining Symbiosis, every prospective candidate is required to complete a Pre-Employment health check-up at the SCHC. The objective is to identify any health conditions or illnesses that may affect an individual's ability to perform their job safely.
3. Health Check-up of food handlers working at catering establishments is conducted annually and before joining the catering establishments. This helps to identify any health conditions or diseases that food handlers may have, which could potentially spread to the food they handle & facilitate the identification of these health issues early.

Curative health care facilities:

1. Outpatient Department (OPD): Primary care is provided by medical officers. Campus Medical Officer is available on call 24X7. Contact numbers of campus medical officers are:

CAMPUS EMS NO.

S. No.	Campus	EMS Contact No.
1	S.B. Road	+ 91 9552525651
2	Viman Nagar-2 (New)	+ 91 9552589179
3	Viman Nagar-1 (Old)	+ 91 9552525654
4	Hinjewadi	+ 91 9552525650
5	Lavale	+ 91 7796688343
6	Kirkee	+ 91 9552525663
7	Model Colony	+ 91 9552382845
8	Nashik	+ 91 9552525658
9	Noida	+ 91 9910049924

11	Hyderabad	+ 91 9175673119
12	Nagpur	+ 91 8669987754

1. Patients/ students/staff can be referred to a specialist/ consultant for treatment as per their condition.
2. Medical Insurance: Every student at Symbiosis is covered under a unique group medical insurance scheme with the National Insurance Company (NIC) for hospitalization up to INR 50,000 under a Mediclaim policy & INR 1,00,000 in case of Road Traffic Accidents. Policy terms & conditions of NIC are available on www.schcpune.org

Guidelines for Medical Leave Authentication for Symbiosis Students

Procedure to avail Medical Leave: Any absence due to sickness should be notified by the concerned student or relative/ friend/local guardian on the first day of illness on phone/ SMS/ Email/ What Sapp/ in-person to the authorized Admin Officer of the institute and Campus Medical Officer, SCHC on EMS No.

Authentication of 'Differently Abled Category (DAC)

Students who apply for admission under the DAC: Please note: admission of all students admitted under the above category will be provisional until authenticated by the Medical Board, Symbiosis.

Whom to Contact:

1. Officer-Healthcare, SCHC: 7796656108, Email ID: healthcare@schcpune.org
2. DMS, SCHC: 7796677078, Email ID: dms@schcpune.org
3. Sr. Officer, SCHC: 9552500357, Email ID: sr.officer@schcpune.org

Please visit www.schcpune.org & download the SymbiCare mobile application – IOS/ Android.

Transportation Facilities

Hostel Students can avail the dedicated bus service for students to visit the main Symbiosis Campus at Modallaguda and nearby areas for various purposes. In addition, bus services are available for students to the hilltop campus at Symbiosis Knowledge Village every morning and evening for recreational purposes.

Hostel Accommodation Hostel Rules and Regulations

A Student pursuing his / her studies at Symbiosis International (Deemed University), may reside in Hostel, owned and maintained by University during the studentship of the academic programme at its campuses. The information regarding hostels is being provided on the University website as well as in the prospectus. The rules and regulations for Mess and Hostel are framed in such a manner so that the student staying in the hostel has a comfortable, conducive environment for healthy living and also discipline is maintained amongst the inmates. Students should ensure that the hostel property is protected and maintained at all times As per University's notification no. SIU/28/293 dated 19/5/2010, clause DMC 20, the students are required to abide by these Rules and Regulations.

HOSTEL BUILDING

1. Admission and Termination:

1.1 Admission:

Admission to a Hostel is provisional and room allotment will be confirmed only after approval from the Campus Administrator which is done at random so as to ensure that all stay as Vasudhaiva Kutumbakam. The allotment is also subject to satisfactory medical examination and payment of fee as given below:

a. Medical Examination:

The Medical examination is conducted by Symbiosis Center of Health Care (SCHC). The Student is required to disclose all past medical history. Any nondisclosure of past medical history is at the risk of the student.

b. Hostel Fee:

The student shall pay Hostel fee for one year as onetime payment, along with interest free refundable deposit in advance at the time of admission. The term for the hostel fee is one academic year as per the academic calendar of the respective programme of the concerned Institute. The fee shall be paid by Demand Draft /Electronic Transfer.

1.2 Mandatory Accommodation:

For all residential campuses, hostel accommodation is mandatory and for others it is as per availability and rules framed by the Institutes to include academic performance, discipline and medical requirement. Localities are not allotted hostel in non-residential campuses to accommodate maximum students from another state. The hostel is treated as an extension of the institute and observance of rules and regulations of the Hostel is compulsory for all the students.

HOSTEL BUILDING

1.3 Room Allotment/Shifting:

Room allotment is done by the Campus Administrator taking guidelines from the Institutes. Each room can accommodate maximum of 3 students but there are few flat type accommodations where the capacity differs. Students shall not interchange their room or shift into vacant room/bed without prior written permission from the Campus Administrator. The Campus Administrator has the right to shift any student from his/her room to another room in the hostel to meet administrative requirement.

1.4 No Creation of Tenancy:

No right in nature of tenancy or any other like right is created by occupation or use of hostel premises and property. A student is merely permitted to temporarily stay in the hostel, under the rules and regulations framed by the University, from time to time.

1.5 Local Guardian:

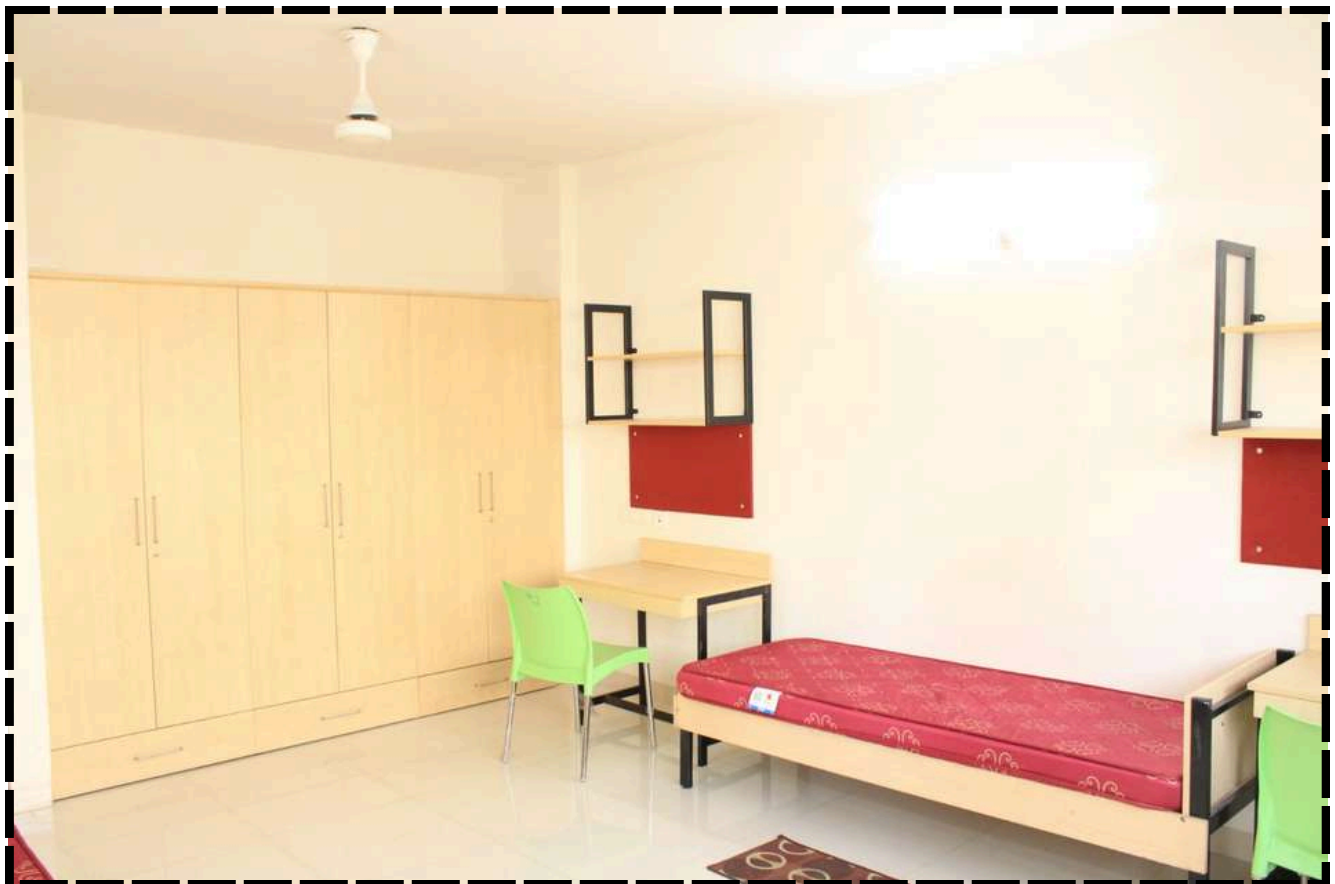

The student will register details of local guardian duly authenticated by parents. A copy of hostel rules will be signed by the local guardian. Student not having local guardian will be required to get a fax/e-mail from guardian / parent for the same.

1.6 Safety & Personal Belongings:

The hostel warden/attendants shall provide keys of the allotted room to the respective student. The Student is personally responsible for safety of their valuables and these should be kept in the cupboard under lock and key. The Student should not leave mobile, ornaments and other valuables unguarded. Student will not change lock and key without permission of the Campus Administrator.

1.7 Furniture & Fixture:

The student shall not bring any extra furniture or other fixture in the room. All furniture and fixture in the rooms allotted to the student must be cared for properly. The student will be required to pay double the original cost if any item is found damaged or missing from their room due to carelessness / negligent handling. The student will also be required to pay twice the charges of the repair of an item that is found to have been wilfully damaged or have been damaged on account of misuse or unfair wear and tear.

a. Interchange of Furniture/Fixture:

Student is prohibited from interchanging any furniture/fixture from one point/location in the hostel to another on his own. Any such request should be done through warden. Anyone found violating the procedure will be dealt by the Campus Administrator and if need be penal deduction will be done. If need be felt, students involved in such activities may be expelled from the hostel.

b. Assets in Common Areas/Corridors:

Theft/damage to hostel assets in common areas/corridors if not owned by student then the cost of repair/damage will be recovered from all students of the flank/wing involved. In case of theft/damage to items that pertain to usage by the complete hostel, the recoveries will be made from all the occupants of the hostel.

1.8 Electricity Restrictions and Use of Appliances:

Additional Electric appliances are not permitted in the room, defiance of which shall enable the Warden /Campus Administrator to confiscate the gadget forthwith. The lights in the Rooms/Bathroom should be used only as and when necessary and shall be switched off, when the same is not in use. While leaving the room, students should take care to switch off the lights and fans without fail. In case of default on this account, a reasonable fine per default occasion will be imposed by the Campus Administrator. Table lamps can be used for study purpose after lights out time.

1.9 Water Timings:

Water timings have been laid down and the same are always displayed on hostel notice board. The student should not leave taps open when the taps are dry, as it will result in subsequent loss of water and further aggravate the water problem.

1.10 Room Checking:

The Campus Administrator / Hostel Wardens/ or any other Officials of the University long with Security Guards may at their discretion inspect / check any room or student's Belongings in the presence of the students living therein any time of the day or night.

1.11 Vehicles:

The student who have two wheelers shall get due sanction from the Campus Administrator by submitting a copy of registration papers and driving license. Vehicles with Symbiosis sticker only will be permitted inside the campus. Four wheelers of the students are not allowed inside the Hostel / Campus not allowed to be parked outside along the perimeter.

1.12 Notice Period:

A boarder is expected to stay in the hostel till the completion of the academic year. In exceptional circumstances, other than disciplinary cases, one-month notice is necessary in case a student desires to vacate the hostel. The balance of hostel fee and mess charges will be refunded after 10 days of vacating the room and on clearance of all dues. A student shall have to vacate the hostel within five days of completion of her/his examination or any such academic requirement, whichever is later. Any extra day will be charged as per norms and for such extra days, prior written permission from the Campus Administrator is required. In case a student does not vacate her/his room, the belongings will be removed from the room and room will be locked by the Campus Administrator in the presence of a senior officer with no responsibility of the Management for the loss, if any.

1.13 Expulsion from Hostel:

The University/ Institute/ Campus Administrator reserves the right to terminate the temporary occupancy of the student for any willful disobedience or defiance of authority, non-observance of hostel rules, causing damage to person or property or indulging in anti-social, anti-national or undesirable activities. In such cases the deposits shall be forfeited and hostel fee will NOT be refunded. Students recommended for expulsion from the respective institutes, will also be expelled from the hostel, and hostel fee will not be refunded.

1.14 Storage of Baggage during Vacation:

During the vacation, belongings should be kept in the cupboard under lock. However, students may avail common storage facility for limited quantity (2 cartons). If a student desires to avail the common storage facility, then he is required to get permission from the institute 15 days prior to the vacation by submitting an application and the same should be submitted to Campus Admin office for making the necessary arrangements. The items or boxes should be neatly packed using twine and tape. The suitcases/handbags should have proper lock and the locks should be taped to avoid tampering. The baggage in the storage should be handed over to the warden/Attendant and details endorsed in the register. Luggage not packed properly will not be kept in the storage. Valuable items will not be kept in the luggage. On return from vacation all the students will take their luggage within one week else fine will be imposed.

2. Attendance, Hostel Timings, Leave and Visitors:

2.1 Attendance Register:

Attendance is taken by the warden between 10:00 pm and 10.30 pm every night. Each boarder has to personally sign the attendance register / biometric attendance record everyday between 10.00 pm to 10.30 pm. After such prescribed time, the student is not allowed to go out of the hostel. Going out of the hostel will lead to a disciplinary action.

2.2 Returning to Hostel:

The student shall return to the hostel before 10:30pm after which gates will be closed. The gates will reopen at 6.00 a.m. the next day. Late comers will have to make an entry in the register kept at the gate, which will be informed to his / her Institute, parents and local guardians. Three late coming entries will lead to cancellation of permission to stay in hostel and fee will not be refunded. The same shall be informed to his/her parents, local guardian.

2.3 Outside Competitions:

The student is permitted to go outstation for participating in various competitions only after submitting proof and application along with parent's consent to the Campus Admin and getting permission for the same. The student will intimate the Warden and make an entry in the Outstation Register kept with the Warden.

2.4 Medical Emergency:

It is mandatory for all students to take medical insurance and health club membership from SCHC. SCHC provides First Aid to the students. Any student, who is not well, will immediately report to SCHC to avail treatment in nature of FIRST AID given by SCHC. In case of medical emergency, the student will be shifted/referred to the hospital. In case of hospitalization, minimum 24 hours stay in the hospital is essential for claiming reimbursement of expenses from medical insurance agency, provided other conditions and details of Mediclaim policy supplied by SCHC are fulfilled. Emergency Medical Help Line numbers are displayed in all the Hostels / Mess. Please inform the Rector about any previous medical history / drug and your blood group. This would be required when emergency aid has to be administered by specialized institutions.

2.5 Night Out:

Night out shall be permitted by the Campus Administrator only under following conditions and circumstances: When permitted in writing by the Director of Institute for academic reasons. On holidays with written consent from parents/local guardian. Once night out permission is accorded; student will be permitted to report only after 6.00 am in the morning. However, in case of medical emergency student can contact the warden directly. In case where the student has the permission for more than one night out, student shall not be allowed in the hostel during the period mentioned even during the day timing.

2.6 Identity Card:

The student will always carry their Identity cards provided to them by the Institute with them when moving out of the Campus, so that in case of an emergency/accident the institute can be contacted and informed. It is also necessary for treatment in an empaneled hospital under Medical Insurance Scheme. Student should co-operate with security personnel for verification and checking of Identity Card. The name of the student's not carrying, Identity card with him/her will be reported to the Campus Administrator for action

2.7 Visitors/Parents:

Visitors/parents are allowed to visit a student only in the visitor's lobby on the service floor between 9.00 am to 11.00 am and 6.00 pm to 8.00 pm on working days and between 11.00 am to 5.00 pm on Sundays and public holidays. No student shall keep talking with visitors in compound, either in or outside the gate/lane. No student shall take any visitor including her/his parents to the room. Personal servants/domestic helpers are not allowed inside the rooms. The parents should give undertaking to cooperate with the authority and should be available on call.

3. Mess and Dining Facility:

3.1 Mess:

The student shall pay mess fee for one year in advance at the time of admission to the hostel. If a student is sick, written application by the student endorsed by the warden and medical certificate by SCHC should be given to supervisor for serving food in the room.

3.2 Mess Committee:

A Mess Committee comprising of Directors, Warden, Campus Administrator, Faculty and students of various Institutes of a campus will be constituted. The mess committee will decide the menu, check food quality from time to time, maintain a record of such inspections and give feedback for improvement of food quality and other aspects of mess and dining.

3.3 Wastage of Food:

Only members of the mess are permitted to dine in the mess. Outside food / Tiffin's are strictly forbidden in the Mess. Members are expected to inform their absence/dining out or night out to the Mess Supervisor well in advance, to avoid wastage of food.

3.4 Guests:

Guests are allowed in mess only with prior permission of the Campus Administrator and on payment of charges applicable.

3.5 Mess Timings:

Monday to Friday

Breakfast	8.00 AM to 10.00 AM
Lunch	12.00 NOON to 2.00 PM
Dinner	8.00 PM to 10.00 PM

Saturday and Sunday

Breakfast	8.00 AM to 10.00 AM
Lunch	01.00 PM to 03.00 PM
Dinner	8.00 PM to 10.00 PM

(These Timings Shall Be Strictly Adhered to by All Hostellers.)

4. General:

4.1 Dress Code:

The students should be decently dressed when they are out of room.

4.2 Silence:

Strict silence shall be observed in hostel from 12.00 mid night to 6.00 am. Care shall be taken at all times to ensure that music/loud talking is NOT audible outside the room. Any manner of festivities and noise making/celebrations, which may cause disturbance to other inmates in the hostel premises, will not be allowed. Recreational facilities will be turned off at 10.30 pm.

4.3 Cleanliness:

The student shall keep their rooms, verandah and surrounding areas tidy, neat and clean at all times and shall not throw anything including trash, in such places or any premises in the hostel, except in the dustbin or the place specifically provided for the said purpose. No wet clothes should be dried on the furniture or in corridors/ balconies. The warden may confiscate any such clothes hung for drying in the balconies. No student shall store any cooked food in the room.

4.4 Registration of Personal computers, use of licensed antivirus software and compliance to internet policy:

It is mandatory for all inmates to register their laptops/PCs and install licensed antivirus software. The student shall abide by the Internet Usage Policy of Symbiosis International (Deemed University).

4.5 Hostel Staff:

The student shall treat the staff and housekeeping staff of the Hostel with due courtesy at all times. Service of the housekeeping staff shall NOT be utilized for private or personal work. No tips in cash or kind should be given to the staff of the Hostel.

5. Strictly Prohibited Activities:

5.1 Ragging:

Ragging in any form whatsoever is strictly BANNED. It is a cognizable offence and violation will invite action as per law of the land, in addition to expulsion from the institute. Being a silent spectator and not reporting/stopping others indulging in ragging is also an offence and will invite similar disciplinary action. Accepting/undergoing ragging and not reporting this is also an offence. Students should report any such incident immediately to any member of the Anti-Ragging Committee / Warden / Campus Administrator / Security Personnel / Deputy Director/ Director directly at any time of the day / night.

5.2 Alcohol / Drugs / Smoking:

The student shall not bring, store, possess, consume and/or drink any alcohol / intoxicating drink, drug or substance of any kind what so ever and or smoke in the room and/or any part of premises. The same shall apply to visitors also. An occurrence of such behavior shall invite strict disciplinary action leading to expulsion from Hostel, rustication from the Institute and action as per law of land.

5.3 Gambling:

No gambling of any kind whatsoever shall be allowed on the premises of the hostel. Any violation of this Rule violation will invite action as per law of the land, in addition to expulsion from the institute.

5.4 Misuse of Internet and Online Social Media:

Any act of uploading derogatory remarks or image ridiculing a person in eyes of other against the Institute or any other person or organization will invite disciplinary action. Student should strictly refrain from indulging in any act of violating the code of internet use.

5.5 Political or Communal Activity:

The student shallnot indulge in any political or communal activitywhich is detrimental to the law and order and/or against the Government. Students shall not carry on any propaganda or publicity of any nature whatsoever in respect of any political or communal matters.

5.6 Information to Media:

The student shall take priorwritten permission of the Warden/Campus Administrator before giving any information or interview regarding Hostel to any member of the Press, Print Media, Radio, Television or any other media or before making any speech containing any information regarding the Hostel.

5.7 Firearms:

Any type of storage or possession of firearm, ammunition, explosive and inflammable goods on the premises of the hostel is strictly prohibited. Violation of the rule will lead to expulsion from hostel and institute.

5.8 Pets:

The student shall not bring and/or keep any pets in the premises including fish, cats, dogs, and so on. Student should desist from pampering stray dogs by offering food, petting them etc.

6. Violation of Hostel Rules:

6.1 Disciplinary action:

In addition to penalties, punishment and fine provided in these Rules, Disciplinary action as per the University Code of Conduct shall be taken against student violating these Hostel Rules and Regulations.

6.2 Recovery of Damage/Losses to Property:

If any common property is lost/damaged/disfigured, the loss will be recovered from the students, in equal share, who are responsible for the damage or loss or in generalize of that property. In case the damage/loss cannot be pinpointed to student(s), then collective fine to recover the loss will be levied by the Campus Administrator.

7 Suggestion Box/Register:

Suggestions and complaints should be either deposited in the Suggestion Box or entered in the Suggestion Register kept in the hostel premises. Suggestion form will also be available in the hostel.

Allotment of accommodation will be subject to availability and entirely at the discretion of Campus Administrator, who will also be monitoring other hostel commitments like, bulk allotments and maintenance/ repair works during non-academic period. His decision will be final.

LIBRARY

Library Rules and Regulations:

Library of Symbiosis Institute of Technology (SIT) came into existence with the establishment of SIT in 2008. The library occupies a place of pride in SIT and plays a very vital role in the provision of learning resources for academics and research. It is the liveliest place on the campus providing a comfortable and friendly environment that enables learning and advancement of knowledge and promotes discovery and scholarship. The library is well-equipped with the latest information technology tools for information collection, processing, and retrieval. The collection of books, eBooks, Print National and International journals, e-journals, reports, and other reading resources is adequate for not only domain-specific resources but also general resources. Books and other resources are regularly augmented, and online access to all premier journals as well as full-text & bibliographic databases available in the field of science, technology, and allied subjects are provided to faculty, staff, and students.

The library uses KOHA, the web-centric library management software. It offers arrange of services, including reference and consultation, membership, circulation, document delivery, resource sharing, information alert, and bibliographic and digital library services to the library members. The Library has a team of well-qualified personnel to cater to the technological and scientific needs of the institute, supported by an active collection of about 17,000+ documents maintained in a professional way for quick retrieval.

Library Timings

Monday to Friday	08.30 A.M. – 07.00 P.M.
Issue – Return	09:00 A.M. – 04.30 P.M.
Sunday	Closed
Festivals /Holidays	Closed
During Examinations	08:30 A.M. – 04.30 P.M. (Monday to Saturday)
During Vacation	08:30 A.M. – 04.30 P.M. (Monday to Saturday)

- **Current Awareness Service:** Information about seminars, workshops, newspaper clippings, and articles on various subjects is made available to users by library.
- **New Arrivals Alert:** Library displays the latest books acquired in the library, for a week, on the display board.
- **News Paper Cutting:** Library have the special collection of Newspaper cuttings related to subject-wise and general awareness all users.
- **Net based services:** All the notices and information is given through the group mail service of the institute. With the Wi-Fi connectivity in the library, students can easily download required documents.
- Online Public Access Catalogue (OPAC)link: <http://symbiosis-koha.informindia.co.in/>
- Librarymemberscansearchthelibrarymaterialsonlinewithavailabilityofreissueforhis/her borrowed book.
- Collection on personality development: The Library is preparing a collection on various subjects like Aptitude tests, autobiographies, general Knowledge, etc., which will help the student to improve their personality and soft skills.
- Inter Library Loan (ILL): Inter library loan service is provided to Faculty members and students of Symbiosis Institutes located at various places.
- Reading list/ Bibliography compilation: The list of available resources in the library is there on OPAC under the 'List' option. Readers can use this to access the resources.

Institutional Membership:

- National Digital Library of India, New Delhi. Library will register our student in National Digital Library (NDL). It provides a single-window search facility to access digital contents currently existing in India as well as other digital sources under a single umbrella.
<https://ndl.iitkgp.ac.in/>
- DELNET: DELNET has been actively engaged with the compilation of various Union Catalogues of the resources available in member-libraries. It has already created the Union Catalogue of Books, Union List of Current Periodicals, Union Catalogue of Theses and Dissertations.

Library Rules:

- The normal loan period for books is 30 days. Students can get 6 books issued at a time for 30 days. Furthermore, a one-time re-issue facility is also available.
- Borrowers have to produce their library cards while borrowing library books.
- No books or library materials may be taken out of the Library until the loan has been recorded. Unauthorized removal of library materials is an offense.
- Current issues of journals/magazines can be used overnight.
- Readers can borrow back issues of the periodical or bound volume.
- Reference books/materials are to be used only in the Library.
- Audio- visual resources are to be used only in the Library or computer lab.
- Overdue books: Books must be returned by the due date or earlier, if recalled by the Librarian. Failure to return a book by the date specified will be treated as an offence.
- Fine imposed on borrowers for late return of books is Rs.5/-per day per book.
- Loss or damage of books: Students should check the books before issuing them. At the time of return, if the books are torn or pages are missing, the borrower will have to make up for the damage. A borrower is allowed to either replace the lost or damaged book or has to pay twice the market price of the book. All books replaced in this manner must be Of the latest edition. If the book is one of a set or series, the whole set or series has to be replaced.
- Library has subscribed 07 e-Databases through various agencies in India, e- journals covering the following publishers

Institutional Membership:

- Sports activities are conducted in Chess, Carom, Badminton, Table Tennis, Squash, Pool, Cricket, Football, Volleyball, Basketball, Swimming, Kabaddi and Athletics.
- Students are permitted to use the sports infrastructure at Symbiosis International (DU) recreation Centre (Hill Top). Sports activities are also conducted at the SIT Hostel ground.

Prostatitis - Intra College sports events:

Since 2010, each year SIT conducts the intra-college sports fest “PROTATHLITIS” in September/ October. This is an interclass/discipline tournament. The event is organized by the SIT sports committee. The department teams are formed by a selection process conducted by individual class/discipline. Sports representatives are responsible for the smooth and timely conduct of their respective sports events and address grievances with the consultation of the sports in charge.

Participating in SI(DU) inter-institute tournaments:

SI(DU) sports board conducts inter-institute tournaments each year in various sports from June to Dec/Jan based on the schedule of inter-university tournaments. The teams for SI(DU) are selected for the players participating in this tournament. One must be a part of SIT team to participate in these tournaments. SIT team is selected from the performances of the students in the SIT intra-college sports fest “PROTATHLITIS”. The team selection activity is coordinated by sports representatives with the approval of the sports in charge. The college team is valid for one academic year and reconstituted each year based on performances in intra-institute tournaments and Prostatitis. Players are given a sports kit and provided transportation for participating in inter-institute tournaments.

Getting selected for Symbiosis University Team Inter-University matches are conducted each year in various outdoor and indoor sports at the zonal level. SI(DU) team participates in these tournaments. The university team consists of players from different constituent institutes of SI(DU). To be eligible to get selected for the SI(DU) team one must represent SIT in the Inter-Institute tournaments organized by the SI(DU) sports board. Selectors for the university team are present during the tournament. Based on the performance, students are called for the trials of the university team selection. If selected for SI(DU) team the players need to attend a training camp. The players receive TA/DA to attend training camps as well as for participating in the Inter-University matches from SI(DU).

Participating in inter-college tournaments:

For SIU Tournaments

For participating in the SIU tournaments sports representatives must perform the following things:

- Write an application to obtain permission from the Director to participate in the tournament.
- Prepare budget (equipment/apparel etc.) for participating in the tournament and seek approval from the Director.
- Arrangement of transportation for the players.
- Sanction of leave of players for participating in the tournament.
- Addressing specific problems of the individual player with the consultation of the sports in charge.

ENTREPRENEURSHIP AND START-UP CELL (E-CELL)

Vision:

To create a vibrant and inclusive entrepreneurial ecosystem at SIT Hyderabad that nurtures innovation, enables start-ups, and empowers students, faculty, and alumni to become visionary entrepreneurs and change makers.

Mission:

- To inspire and support the entrepreneurial aspirations of SIT stakeholders.
- To institutionalize innovation as a core value across academic and extracurricular activities.
- To enable pre-incubation, incubation, and funding support for impactful startups.
- To foster interdisciplinary collaboration, national/international linkages, and community outreach.

Key Objectives:

- Promote innovation-driven entrepreneurship among students, faculty, and alumni.
- Facilitate idea generation, prototype development, mentorship, and market access.
- Integrate entrepreneurship education across curriculum and extracurricular platforms.
- Connect SIT's startups with Symbiosis Centre for Entrepreneurship and Innovation (SCEI) and other regional/national incubators.
- Encourage commercialization of research, patenting, and technology transfer.

Goals:

- Promote entrepreneurship awareness among students, faculty, and alumni.
- Organize innovation challenges, ideation workshops, startup bootcamps, and business plan competitions.
- Facilitate access to expert mentorship, seed funding opportunities, and investor networks.
- Support development of prototypes, filing of intellectual property, and startup registration.
- Bridge academia-industry gaps through collaborative projects and internships.
- Align with regional and national startup missions, building partnerships with incubators and entrepreneurship forums.

ENTREPRENEURSHIP AND START-UP CELL (E-CELL)

Strategic Initiatives:

1. Governance & Structure

- A dedicated Entrepreneurship and Start-up Cell (E Cell) will manage operations.
- A multi-stakeholder committee (faculty, alumni, industry, startup founders) will guide the policy, chaired by a senior institutional leader.

2. Pre-Incubation and Infrastructure

- Dedicated E-Cell Office & Pre-incubation Lab on campus.
- Innovation spaces accessible to students, faculty, and alumni.
- Resource sharing with SCEI and other technology parks.

3. Innovation Support & Funding

- Creation of an Innovation Fund to support startup and pre-incubation activities.
- Financial planning for infrastructure, seed grants, prototyping, patent filing, etc.
- Explore grants from MSME, Startup India, DST, AICTE, and CSR donors.

4. Start-up Policy for Students and Faculty

- Academic credits and project substitutions for entrepreneurial efforts.
- Semester breaks, relaxed attendance, and evaluation flexibility for entrepreneurs.
- Faculty leave/sabbatical provisions for startup incubation.
- Students and faculty can use SIT address for official startup registration.
- Recognition and awards for outstanding entrepreneurs.

5. Curriculum and Pedagogy

- Innovation and Entrepreneurship embedded in curriculum, co-curricular and extracurricular activities.
- Hands-on workshops, design thinking, business model canvas training.
- Guest lectures by founders, alumni entrepreneurs, and start up mentors.
- Innovation & Entrepreneurship Awards instituted annually.

6. Collaborations and Ecosystem Engagement

- Linkages with SCEI, NASSCOM, T-Hub, TiE Hyderabad, MSME incubation centers, and international accelerators.
- Alumni network engagement for mentoring and angel funding.
- Industry partnerships for real-world problems and internships.
- Entrepreneurial Culture Development:
 - Innovation Challenges, Hackathons, Boot camps, Seminars organized round the year.
 - Student-led Clubs and Councils to champion innovation.
 - Innovation from First Year: Idea labs, mini-projects, fieldwork.
 - Community Outreach: Rural innovation projects, social entrepreneurship programs.

ENTREPRENEURSHIP AND START-UP CELL (E-CELL)

Impact Assessment Metrics:

- No. of student & faculty start-ups incubated.
- Patents filed and technologies commercialized.
- Funds raised through grants, competitions, and investors.
- Partnerships and MoUs signed.
- Awards & recognitions at national/international level.

Get Involved:

The **Entrepreneurship** Cell equips students aspiring to launch their own ventures through a structured and engaging series of initiatives, including:

- Orientation & Motivation: Inspiring the entrepreneurial mindset and cultivating a proactive approach.
- Kickstarting the Entrepreneurial Campus: Fostering a culture of innovation and startup thinking within the campus.
- Business Planning Workshops: Providing hands-on training in crafting viable and scalable business plans.
- From Prototype to Commercialization: Guiding students in preparing essential drafts and strategies for market entry.
- Investor Engagement: Creating opportunities to connect with potential investors and pitch their ideas.
- Team Building: Developing leadership and collaboration skills essential for building effective startup teams.
- Entrepreneurial Finance & Fund Management: Offering insights into managing finances, securing funding, and sustaining growth.

INNOVATION & ENTREPRENEURSHIP (I & E) POLICY

Empowering the Next Generation of Innovators & Entrepreneurs

1. Strategies and Governance

- Foster a vibrant entrepreneurial ecosystem to support aspiring entrepreneurs across all domains.
- Constitute a multi-stakeholder committee led by a senior expert to drive institutional innovation.
- Create a sustainable financial model to support pre-incubation infrastructure and activities.
- Establish an Innovation Fund to finance entrepreneurial initiatives.
- Encourage fund-raising through government/non-government grants, sponsorships, and alumni contributions.
- Grant autonomy to the ES-Cell Committee to independently organize programs and initiatives.
- Promote entrepreneurship across academic and public events.
- Engage with national and international innovation networks and promote entrepreneurship at community levels.

2. Start-up Enabling Institutional Infrastructure

- Establish a dedicated Entrepreneurship & Start-up Cell (E-Cell) office and pre-incubation hub.
- Ensure equitable access to incubation facilities for students, faculty, alumni, and staff associated with start-ups and innovation.

3. Nurturing Innovations and Start-ups

- Provide access to E Cell facilities for stakeholders and recommend startups to Symbiosis Centre for Entrepreneurship and Innovation (SCEI), Pune.
- Facilitate collaborations with regional incubators.
- Support IP filings (patents, copyrights) for innovative projects.
- Allow academic flexibility for students to work on startups, including semester breaks, academic credits, and replacing projects with entrepreneurial ventures.
- Faculty/staff can take sabbaticals or leaves to pursue startups while retaining seniority.
- Offer infrastructure and institutional support for full-time startup efforts.
- Promote interdisciplinary research and publications in entrepreneurship.

4. Product Ownership & IP Rights

- Faculty/staff may devote up to 20% of work time to startup-related roles (mentorship, advisory) without affecting academic responsibilities.
- Recognize startup mentoring and development as part of faculty evaluation.
- Patent filings funded by SIU shall be filed under SIT/SIU and governed by institutional IP policy.

5. Organizational Capacity, Human Resources & Incentives

- Recruit and train faculty/staff with innovation/industry experience.
- Encourage upskilling via courses on entrepreneurship and venture development.

6. Creating Innovation Pipeline & Entrepreneurial Pathways

- Introduce students to innovation from the first year.
- Organize activities like hackathons, bootcamps, mentoring, and awards.
- Train students in design thinking, critical and creative thinking.
- Promote interaction with local entrepreneurs and connect startups with external networks.

7. Norms for Faculty Startups

- Faculty startups must involve technologies developed at SIT Hyderabad.
- Clearly define roles and avoid conflicts of interest.
- Faculty can partner with students, alumni, or external entrepreneurs.
- For prolonged executive roles in startups, faculty must take approved leave.
- Human-subject research in startups must get ethical clearance.

8. Pedagogy & Learning Interventions

- Establish student-run clubs for entrepreneurship activities.
- Institute the "Innovation & Entrepreneurship Award" to recognize outstanding contributions.
- Incorporate case studies, startup stories, and elective courses on innovation and venture creation.
- Include entrepreneurship in induction programs and department-level planning.

9. Collaboration, Co-creation, and Knowledge Exchange

- Develop stakeholder-driven co-creation programs.
- Build partnerships with incubators, science parks, and innovation hubs.
- Host networking events to expand engagement and opportunities.

10. Entrepreneurial Impact Assessment

Conduct annual impact assessments based on:

- Faculty and department engagement
- Number of startups, patents, and ideas generated
- Quality of mentorship, incubation, industry linkages
- Awards, recognitions, and performance in ranking schemes

Participation and Attendance

Eligibility for Participation

- All students of SIT Hyderabad can participate or lead startups initiatives, subject to academic standing.
- Students must register their startups activities with the E-Cell and seek necessary faculty mentor endorsement.

Attendance Relaxation

- Students representing SIT Hyderabad at recognized entrepreneurship events (e.g., startup expos, investor meetings, innovation summits) or actively involved in validated startup ventures may be considered for attendance exemption, subject to documentation.
- Such exemptions are strictly subject to prior written approval from the Director.

Criteria for Approval

- Submission of a formal application with event/startup details.
- Faculty mentor and Head of Department endorsement.
- Supporting documents such as invitations, startup pitch decks, incubator confirmations, or investor interest letters.

Evaluation and Reporting

- Students must submit a report of their participation or progress of the startup, including outcomes and learning's.
- E-Cell shall maintain a record of active student entrepreneurs and their achievements for institutional reporting.

Code of Conduct

- Students are expected to maintain institutional decorum while representing SIT Hyderabad.
- Any misuse of this policy for non-genuine entrepreneurial activities will result in disciplinary action.

Roles and Responsibilities

- Students: Submit required documentation and maintain transparency.
- Faculty Coordinator: Guide and validate student applications.
- Head of Department: Recommend meritorious applications.
- Director: Final authority for attendance-related approvals and exceptional considerations.

Address for Communication:

INTERNSHIP AND TRAINING POLICY

Purpose

- This policy is designed to guide students of Symbiosis Institute of Technology, Hyderabad (SIT-H) in pursuing internships and trainings that complement their academic and professional development, while maintaining institutional discipline and attendance requirements.

Scope

- This policy applies to all undergraduate students of SIT-H across all departments.

Objectives

- Encourage students to engage in industrial internships, research projects, and certified trainings.
- Ensure that such activities align with academic goals and industry standards.
- Provide a clear framework for attendance approval during internship/training periods.

Guidelines

Eligibility

- Students must have completed their second semester of study.
- The student should maintain a minimum CGPA of 5.0 and must not have any backlogs at the time of applying.

Duration & Timelines

- Internships may be undertaken during the summer break (May–July) or winter break (December–January).
- Training/internship during regular academic semesters will be permitted only in exceptional cases with justified documentation.

Application Process

- Students must submit an application form along with the offer letter from the organization.
- A brief Statement of Purpose (SOP) and relevance of the opportunity to their academic goals must be attached.
- The application must be endorsed by the faculty mentor and Placement Cell Incharge before final submission to the Director.

Attendance & Academic Consideration

- Attendance exemption for the duration of the internship/training shall be subject to prior written approval by the Director.
- Students are responsible for covering all academic work and internal assessments missed during the approved period.
- No leniency will be granted for academic performance due to absence.

Reporting and Evaluation

- Upon completion, students must submit an Internship Completion Report and Certificate of Participation to their department.
- An internal presentation or viva may be conducted to evaluate the learning outcomes.

Misuse and Disciplinary Action

- Any false claims or unauthorized absence under the pretext of internship/training will be treated as a disciplinary violation.

Roles and Responsibilities

- Students: Apply formally, attend responsibly, and report appropriately.
- Faculty Mentors: Guide and ensure relevance of opportunity.
- Placement Cell In charge/ Department Head of the Departments: Vet and recommend applications.
- Director: Final authority for approval of attendance and exceptional cases.

TRAINING AND PLACEMENT CELL POLICY

Empowering Careers through Engagement and Excellence

At Symbiosis Institute of Technology, Hyderabad, the Training and Placement (T&P) Cell serves as the cornerstone for enabling students to transition successfully from academia to industry. Guided by the values of excellence, innovation, and holistic development, the Cell strives to empower students to become future-ready professionals equipped with technical expertise, professional confidence, and industry-aligned competencies.

Internships

Purpose

This policy is designed to guide students of Symbiosis Institute of Technology, Hyderabad (SIT-H) in pursuing internships and trainings that complement their academic and professional development, while maintaining institutional discipline and attendance requirements.

Scope

This policy applies to all undergraduate students of SIT-H across all departments.

Objectives

- Encourage students to engage in industrial internships, research projects, and certified trainings.
- Ensure that such activities align with academic goals and industry standards.
- Provide a clear framework for attendance approval during internship/training periods.

Guidelines

Eligibility

- Students must have completed their second semester of study.
- The student should maintain a minimum CGPA of 6.0 and must not have any backlogs at the time of applying.

Duration & Timelines

- Internships may be undertaken during the summer break (May–July) or winter break (December–January).
- Training/internship during regular academic semesters will be permitted only in exceptional cases with justified documentation.

Application Process

- Students must submit an application form along with the offer letter from the organization.
- A brief Statement of Purpose (SOP) and relevance of the opportunity to their academic goals must be attached.
- The application must be endorsed by the faculty mentor and Placement Cell Incharge before final submission to the Director.

Attendance & Academic Consideration

- Attendance exemption for the duration of the internship/training shall be subject to prior written approval by the Director.
- Students are responsible for covering all academic work and internal assessments missed during the approved period.
- No leniency will be granted for academic performance due to absence.

Reporting and Evaluation

- Upon completion, students must submit an Internship Completion Report and Certificate of Participation to their department.
- An internal presentation or viva may be conducted to evaluate the learning outcomes.

Misuse and Disciplinary Action

- Any false claims or unauthorized absence under the pretext of internship/training will be treated as a disciplinary violation.

Roles and Responsibilities

- Students: Apply formally, attend responsibly, and report appropriately.
- Faculty Mentors: Guide and ensure relevance of opportunity.
- Placement Cell In charge/ Department Head of the Departments: Vet and recommend applications.
- Director: Final authority for approval of attendance and exceptional cases.

Mission of the T&P Cell

To empower students into becoming industry-ready professionals through a dynamic, inclusive, and future-forward talent transformation ecosystem, aligned with the ethos of excellence, innovation, and holistic development at Symbiosis Institute of Technology, Hyderabad.

Objectives

- To organize campus recruitment drives for B.Tech students by inviting reputed companies from across India and abroad.
- To prepare students for placements through aptitude and coding assessments, group discussions, and interview skills training by professional experts.
- To enhance students' personality development and communication skills through structured workshops and training modules.
- To provide career counselling and guidance by conducting sessions with senior professionals from industry and academia.
- To build and sustain regular engagement with the industry through seminars, guest lectures, conferences, industrial visits, live projects, and academic collaborations.

Goals

- 1.To nurture agile and adaptive talent through structured training programs that foster technical competencies, professional aptitude, and personal excellence, in alignment with the evolving needs of global industries.
- 2.To facilitate meaningful and fulfilling career pathways for students, including placements in leading organizations, support for entrepreneurial ventures, and encouragement for higher education and research.
- 3.To bridge the academia-industry gap by integrating domain-specific skill development, real-world exposure, and industry collaborations, thereby equipping students to confidently navigate recruitment processes and professional environments.

Placement Policy Highlights

- 1.A student may apply to any number of IT/Core companies. However, after receiving two job offers, they will be excluded from further placement processes.
- 2.A Dream Offer is defined as compensation of INR 10 LPA or above. A student is eligible for only one Dream Offer.
- 3.Eligibility to participate in placement drives is based on:
 - Maintaining a minimum academic score of 60% throughout (10th, 12th, graduation, and each semester).
 - Meeting additional eligibility criteria specified by individual companies.
- 4.All communication between companies and students must be routed through the Training & Placement Cell.
- 5.Students opting out of the final placement process for personal or higher education-related reasons must formally notify the T&P Cell.

- 5.Students opting out of the final placement process for personal or higher education-related reasons must formally notify the T&P Cell.
- 6.The role of the T&P Cell is to act as a facilitator and counsellor—not as a job guarantor.

Guidelines for Participation in the Placement Process

1.Placement Disclaimer

- The Institute facilitates opportunities for placements but does not guarantee them.
- Final selection rests with the recruiting company, based on merit and performance.
- Placement is a privilege, not a right.

2.Eligibility Criteria

- Minimum 60% academic score across all educational stages unless otherwise specified.
- Students must maintain regular attendance and discipline; defaulters may be debarred.

3.Recruitment Participation Norms

- Students may withdraw after a Pre-Placement Talk (PPT), even after confirming attendance.
- However, if a student participates in subsequent selection rounds and is offered a role, they will be ineligible for future drives, except under “Dream Offer” conditions.

4.Job Offer Policy

- A student is allowed up to two offers. Post that, they will exit the placement process.
- “Dream Offers” are allowed as a one-time opportunity and do not impact the regular offer count if availed first.
- In “Day 1” or multi-company Dream Scenarios, students may appear for multiple companies but can accept only one final offer.

Key Initiatives and Services

- **Career Readiness Programs:**

Training in communication, group discussions, coding, interviews, resume development, and exposure to industry trends.

- **Industry Integration**

Strong engagement through guest talks, corporate mentorship, seminars, and industrial visits.

- **Internships & Project-Based Learning**

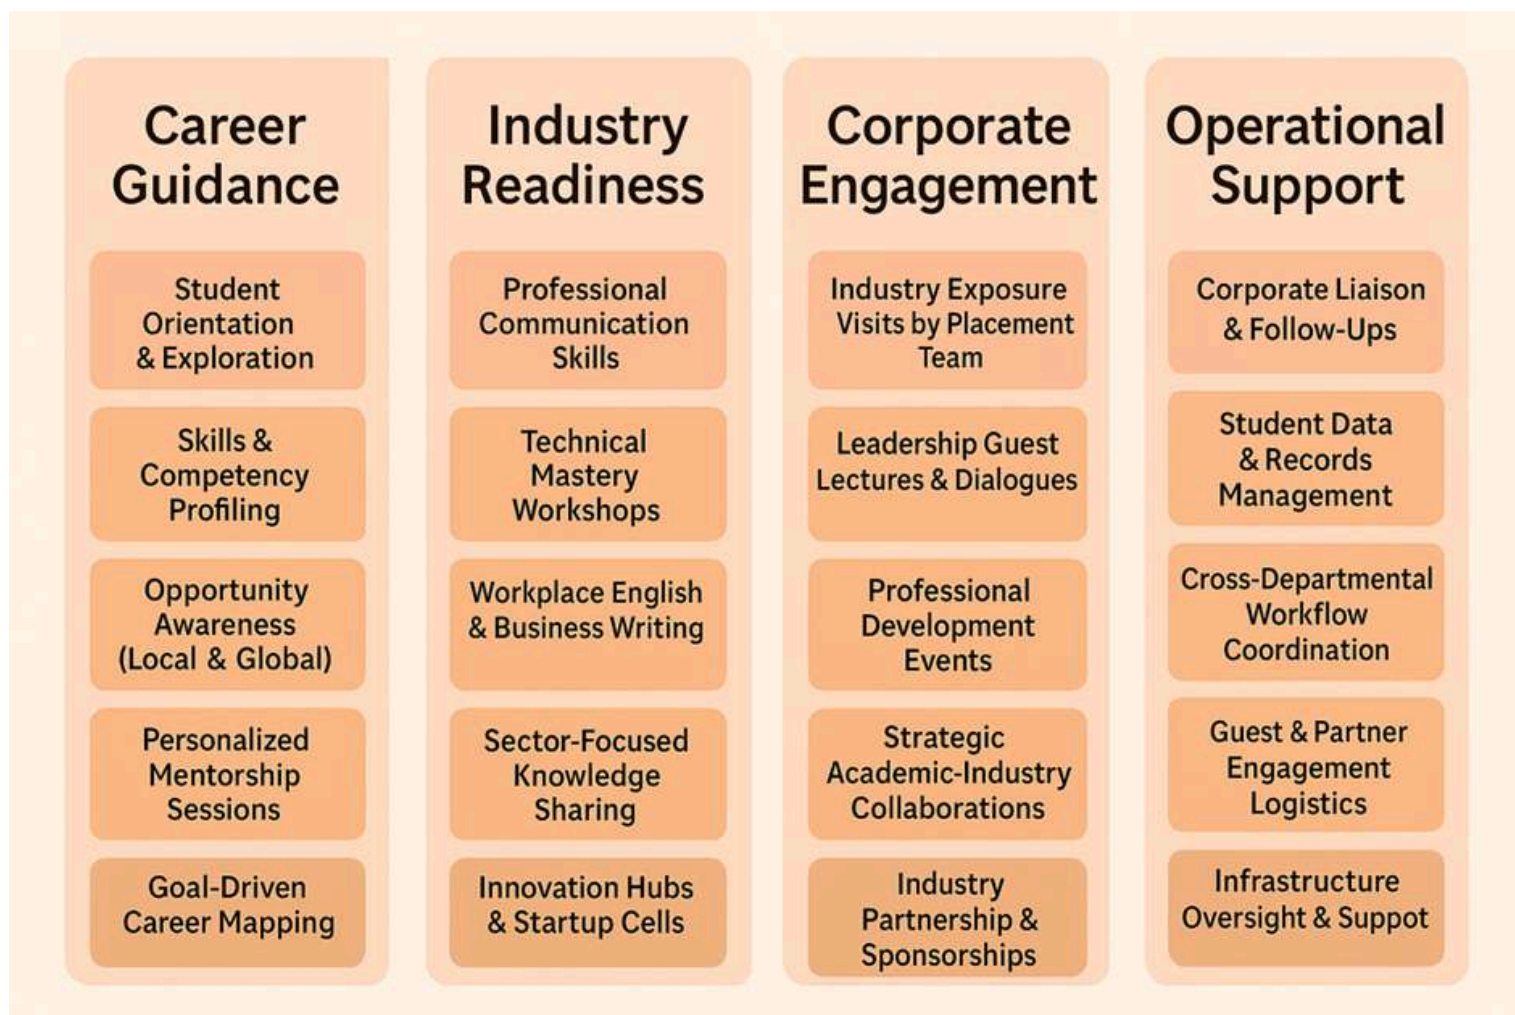

Students are offered live projects, internships, and on-the-job training to bridge academic learning with real-world skills.

- **State-of-the-Art Infrastructure**

Includes fully equipped seminar halls, interview rooms, group discussion spaces, and digital infrastructure (Wi-Fi, projectors, systems).

- **Holistic Development**

Students are encouraged to engage in student organizations, innovation activities, and social initiatives to promote overall well-being.

Our Commitment

The Training & Placement Cell remains committed to fostering a culture of professionalism, continuous learning, and industry collaboration. We work in close partnership with academic departments, alumni, and employers to ensure that students are well-prepared to embark on impactful and rewarding career journeys.

STUDENT COUNCIL, SIT HYDERABAD

Objectives:

Advocacy and Representation

The Student's Council aims to be the voice of the student body, advocating for their rights, concerns, and welfare within the Symbiosis Institute of Technology, Hyderabad (SITH) community. We strive to represent the diverse interests and opinions of students in all matters affecting their academic and non-academic experiences.

Enhancing Student Experience

Our primary goal is to enhance the overall student experience at SITH by organizing various events, activities, and initiatives that foster personal growth, academic excellence, and holistic development. We aim to create a vibrant campus culture that encourages student engagement and participation.

Promoting Student Welfare

The Student's Council is committed to promoting the welfare and well-being of all students at SITH. This includes providing support services, resources, and assistance to help students overcome any challenges they may face during their academic journey. We strive to create a supportive and inclusive environment where every student feels valued and respected.

Facilitating Communication and Collaboration

We seek to facilitate effective communication and collaboration between students, faculty, administration, and other stakeholders within the SITH community. By fostering open dialogue and constructive engagement, we aim to build strong relationships and partnerships that contribute to the overall growth and development of the institute.

Empowering Student Leadership

The Student's Council is dedicated to nurturing and empowering student leaders who will serve as catalysts for positive change within the SITH community and beyond. Through leadership development programs, training workshops, and mentorship opportunities, we aim to equip students with the skills, knowledge, and confidence to become effective leaders and agents of change.

Promoting Academic Excellence

We strive to promote academic excellence and innovation by supporting initiatives that enhance teaching and learning, promote research and scholarship, and provide opportunities for intellectual and professional growth. We encourage collaboration between students and faculty to create a stimulating learning environment that fosters creativity, critical thinking, and lifelong learning.

Fostering Social Responsibility

The Student's Council is committed to fostering a sense of social responsibility and civic engagement among students. We encourage and support initiatives that promote community service, environmental sustainability, and ethical leadership. By instilling values of empathy, compassion, and integrity, we aim to inspire students to become responsible global citizens who contribute positively to society.

Ensuring Transparency and Accountability

We strive to uphold the highest standards of integrity, fairness, and ethical conduct in everything we do. We are committed to engaging with students in a transparent and inclusive manner, seeking feedback and input to continuously improve our services and initiatives.

Key Areas of Student Affairs

- Student Council and Class Representatives
- Clubs and Special Interest Groups (SIGs)
- Wellbeing and Mental Health Initiatives
- Cultural, Literary, Sports, and Technical Events
- Community Engagement, Outreach, and Volunteering
- Institutional Representation at Conferences, Competitions, and Forums

Student Leadership and Participation

- Students may nominate or be elected to serve in councils, cells, and clubs recognized by SIT Hyderabad.
- Participation in officially approved events will be governed by clear accountability and reporting mechanisms.

Attendance and Academic Considerations

Attendance Exemption

- Students involved in institutionally recognized events, forums, and organizing committees may be considered for attendance exemption, provided the activity contributes meaningfully to SIT's reputation and the student's development.
- Such exemptions will be granted only upon prior written approval from the Director.

Approval Criteria

- Formal application citing the nature, date, and relevance of the activity.
- Endorsement from the Student Affairs.
- Submission of post-activity reports (event outcomes, participation certificates, etc.) is mandatory.

Academic Responsibility

- It is the student's responsibility to ensure that academic performance is not compromised.
- No concessions in internal marks or examination schedule will be entertained unless under exceptional and approved circumstances.

Student Conduct and Representation

- Students representing SIT Hyderabad must uphold institutional values and professional conduct.
- Any misrepresentation or indiscipline during events may lead to withdrawal of privileges or disciplinary action.

Roles and Responsibilities

- Students: Participate actively, submit required documentation, maintain discipline.
- Student Affairs Office: Coordinate student activities, monitor participation, and maintain records.
- Student Affairs: Vet participation requests and recommend deserving cases.
- Director: Final authority for attendance approvals and exceptions.

STUDENT AFFAIRS GOVERNANCE POLICY

Purpose

- This policy provides a structured framework for student governance, leadership, and engagement through the Student Affairs Office of SIT Hyderabad. It aims to empower students to take on meaningful roles while ensuring accountability, discipline, and alignment with institutional goals.

Scope

- This policy applies to all officially recognized student leaders, committees, clubs, and professional societies functioning under the Student Affairs Office.

Term of Office and Performance Evaluation

- The term of responsibility for all student office bearers is one academic year.
- Renewal for a subsequent year shall be based on performance, subject to the recommendation of the respective Head of Department and Student Affairs, and approval of the Director.
- Office bearers failing to meet responsibilities, ethical conduct, or performance standards may be relieved of their duties mid-term with formal review.

Minimum Eligibility Criteria

To be considered for any leadership or committee role under Student Affairs, a student must:

- Be a full-time student of SIT Hyderabad.
- Maintain a minimum of 75% attendance across all subjects during the semester without no active backlogs.
- Have no record of disciplinary violations.
- Demonstrate satisfactory academic standing, leadership aptitude, and teamwork.

Code of Conduct and Attendance Policy

- Students involved in Student Affairs must act with integrity, respect, and responsibility.
- Any misconduct (academic dishonesty, indiscipline, or behavioral violations) will lead to immediate suspension from leadership roles.
- Attendance exemptions for institutional representation or student leadership duties will be granted only upon prior written approval by the Director, supported by the HoD and Student Affairs Office.
- Students are expected to compensate for missed academics and stay current with coursework.

Roles and Responsibilities

Leadership Roles

- President: Overall leader of Student Council; coordinates with Director, Student Affairs Office, and external stakeholders. Oversees functioning of all committees and ensures institutional alignment.
- Vice-President: Supports the President and assumes responsibilities in their absence. Coordinates inter-departmental programs.
- Program Coordinator & Support Committee: Manages event logistics, planning, scheduling, and feedback reporting for all student-led programs.

Functional Committees

- Academics & Research Committee: Promotes academic enrichment, mentorship circles, research groups, and conference participation.
- Student Welfare Committee: Advocates for student well-being, grievance redressal, mental health, and inclusivity support.
- Media Committee: Handles communication, social media, visual content, event coverage, and promotional materials.
- Co-curricular & Extra-curricular Committee: Manages technical fests, cultural events, talent showcases, and student representation at external competitions.

Recognized Student Clubs

Each club will have a Faculty Coordinator, Student Chairperson, and core team. Activities will be supervised under the Student Affairs Office and annual performance reviewed.

- NSS Club: BuildHope – Social responsibility, outreach, community development.
- Sports Club: Abhyasa – Campus sports, tournaments, fitness initiatives.
- Literature & Media Club: Inkfluencers – Creative writing, debate, design, podcasting.
- AI & Hackathon Club – AI/ML projects, coding events, intercollegiate hackathons.
- Algorand & Blockchain Club – DLT education, blockchain challenges, and industry connect.
- Google Developer Student Club – GDSC SITH recognized body driving developer initiatives.
- Innovation & Startup Club: InnovatorsInc – Ideation, pitch events, incubation links.
- Photography Club: Excipio – Campus event photography, exhibitions, visual storytelling.
- Pratibha: Annual inter-collegiate cultural and talent fest representing the creative face of SIT Hyderabad. Entirely student-led under supervision of Co-curricular Committee.

Professional Societies and Technical Chapters

These societies function under respective faculty mentorship and are integral to SIT Hyderabad's technical engagement ecosystem:

- IEEE SIT Hyderabad Student Branch
- IEEE Women in Engineering Affinity Group
- IEEE Technical Chapters (e.g., Computer Society, etc.)
- Internet Society (ISOC) Chapter

Reporting and Review

- Each committee, club, and society must submit a semester-wise activity report and annual performance summary.
- An annual review will be conducted by the Student Affairs Office with departmental inputs.
- Recognition, awards, or continuation will be based on performance, impact, and adherence to policy.
- Monthly Meeting or Subsequent Bi-Weekly Meeting conduction with Council and Clubs.

STUDENT AFFAIRS – POLICIES

Student Affairs of Symbiosis Institute of Technology, Hyderabad

Student Affairs is a support service for students of SIT, Hyderabad. This Development Plan is provided with a view to facilitate personal development along with academic development during the programme of four years in an incremental manner.

The underlying principles and concepts of the student development plan are taken from Human Resource Management and Psychology. When an 18-year old student enters the SIT, Hyderabad programme, his / her motivation might be very unclear. Often they are motivated or inspired by superficial influences or the magic bullet of the media or someone's sudden super success. Assessing such student's potential and capability to suit the programme and the profession is uniquely carried out in SIT, Hyderabad through the written entrance examination. The ideal trio prescribed by Carnegie Report is the future landmark in education which this development plan incorporates in a phase-wise manner.

During the commencement of the programme, Head of the Institute presents the development plan to the new students and offers the possible milestones year-wise. This is offered with a mix of goals and achieving choices mixing community building, internationalisation, student growth, diversity, international perspective and spiritual exploration. To serve this end, the concept of development consists of two sub-themes – Personal Development and Academic Development

Personal Development:

- Counseling
- Co-Curricular & Extra-Curricular activities
- Mentoring: Peer, buddy

Academic Development

- Study Skills
- Academic Success programme: Remedial Teaching
- Experiential learning
- Book Review
- Connecting Studies to work – Internship & Earn & Learn
- Communication skills through curriculum, clubs and professional societies

Study Skills

- Reviewing notes after each class
- Using SQ3R: Survey, Question, Read, Recite, Review
- Getting control of your time
- Beginning to prepare for specific tests a week in advance
- Incorporating self-testing into your study schedule
- Practicing good test taking strategies
- Creating a study Circle

Academic Development

- Study Skills
- Academic Success programme: Remedial Teaching
- Experiential learning
- Book Review
- Connecting Studies to work – Internship & Earn & Learn
- Communication skills through curriculum, clubs and professional societies

Dress Code Notice

It has been observed that students are interpreting the Uniform Code of Conduct in the way they like. Please note that it is mandatory for every student to be in proper/complete uniform, once he/she is in the college campus irrespective of the lecture timings.

Please make a note of the following:

- Students are not permitted to wear visible body adornments, including earrings, and display body piercing or tattoos. Lady students may wear only necklaces, finger rings, and ear and nose adornments. Wearing heavy ornaments and / or jewellery on campus is discouraged. Make up should be sober and unobtrusive. Translucent dresses are forbidden. Dress should be comfortable and sufficiently loose to facilitate work without physical restraint. Lady student should wear tops with sleeves which should be minimum of 4" of length and the top should be at least 7" below the waist.
- Wearing the uniform shall be compulsory as specified by the Institute.

All Years: White Shirt, Blue Trouser

- Men students must wear black polished shoes and ladies may wear black polished shoes or black sandals. (Ladies may please insure that the shoes/sandles cover the foot completely) Please note that Flipons/Slippers/Floaters ate strictly prohibited. Students are expected to be in Blazers on Special Occasions
- Men students must be well groomed, i.e., not to wear long hair, and can either be bearded, moustached or clean-shaven.

Non-compliance will be treated as 'Disciplinary misconduct' under Code of Conduct and will attract penalties, punishment including forfeiture of attendance as prescribed.

Hostel Rules

SIT Hyderabad hostels offer a comprehensive range of facilities within the University campus, separately for boys and girls. We understand that most of our students are moving away from home for the first time, so we strive to make the transition as smooth as possible by providing comfortable, safe and homely set-up within the hostels. All the rooms have been designed to provide adequate moving space and ample air and light. To guide the students and to monitor the day to day management of the hostels, each hostel has wardens.

Residential facilities are available for students enrolled in most of the postgraduate institutes, with individual blocks available for male and female students. Double/triple occupancy rooms with attached bathrooms are provided with all modern amenities.

The hostel rooms are spacious with natural light and ventilation. Each room has an attached toilet and bathroom. Each student is provided with a steel cot, a study table and chair and a mattress.

Security: The following arrangements have been made to ensure the security of the inmates of the hostels:

- Security check at the main gate of each Hostel.
- Lady guard at girls hostels, round the clock
- Surveillance video camera at entrance of all hostel buildings.
- Wi-Fi Internet Facilities: All hostels have secure Wi-Fi internet connectivity, through high end firewall.
- TV Lounge: Common TV lounge with cable connection on the ground floor of each hostel building.

Facilities Symbi Food Court

Symbi Food Court includes a traditional low priced Canteen, General Stores, Yummy and a Juice Bar. The Canteen serves snacks, beverages, breakfast and lunch with a variety of items which suit the needs of students belonging to different geographical locations of the Country and even abroad. Frequent random checks are carried out to ensure that the food served by the Food Court is hygienic, tastes good and is made from good quality ingredients.

Spacious building of the food court with good modern furniture and pleasant weather of Hyderabad, combined together to make it place where students eat together and indulge in healthy interactions.

Sports and Fitness

Symbiosis lays a great emphasis on sports and games considering the fact that 'A sound mind resides in a sound body.

Sports Facilities:

State of the art, sports infrastructure has been created on the campus which includes the following

- A gymnasium at campus with modern equipment including computerized treadmills and other exercises.
- Facilities for indoor games like table tennis, badminton, squash on the Campus. Facilities for table tennis, squash and other indoor games are available.
- A vast multipurpose ground for Cricket and Foot ball on the campus.
- Basket Ball Court on the Campus.
- Lawn Tennis Courts & A state of the art Cricket ground with flood lights are coming up on the Campus.

Sports Activities :

A sports calendar is made in the beginning of the year which includes the following.

- Inter Institute tournament in various outdoor and Indoor sports and games.
- Formation of University teams for Inter University tournaments and participation in this tournament.

One institute is given responsibility of hosting competitions in one or more sports. In addition to all above marathons and run for freedom are organized at the level of Symbiosis International University. At SIT Hyderabad, interclass tournament are being organized in which students participate whole heartedly. To encourage sports, sports scholarships are given for achievements.

Events

With a multicultural environment at SIT with students from PAN India and the world, celebrations are the key to Unity in Diversity. Year long, many events take place at SIT Hyderabad, be it celebration of cultural festivals like Holi, Navratri, Diwali, Christmas, Ugadi, so on and so forth.

The extracurricular exposure starts from the induction program in the form of final cultural performance to the farewell given to the outgoing batch. In all the activities, students work in the form of a team as a Student Council with the Student Affairs through various clubs, professional societies and Industry Collaborators – Mr. Sai Prashanth Mallellu.

The annual Tech Fest is "Anveshan" where multiple events ranging from music, dance, art, theatre, literature, food, gaming, and fashion are held. A unique theme is assigned each year by the students' cultural head and team and a vibrant stage is set up at SIT amphitheatre & Auditorium.

Gender Equity

1. Organizing gender equity programmes
2. Counselling facility available – female counsellor
3. Separate hostel for girl students
4. 24x7 female security guard in hostel blocks
5. Academic mentor for each student
6. Female warden in girls hostel
7. Women's day celebration
8. CCTV cameras in academic and hostel blocks
9. Medical facility / annual health check up
10. Anti-ragging committee
11. Anti-ragging squad
12. Internal complaints committee
13. Separate wash rooms for girl students / women staff
14. Placement only for girl students

Festivals at SIT Hyderabad

- Swachcha Bharath Abhiyan
- Summer internship
- Rashtriya Yuva diwas
- Freedom run
- Academic mentoring
- Activities for international students
- Buddy system to international student

National Days Celebrated:

- Independence Day
- Republic Day
- Gandhi Jayanthi

Institutional Social Responsibility(ISR)

Activities at SIT Hyderabad

Symbiosis Institute of Technology (SIT) indeed follows the university motto of 'Vasudhaiv Kutumbkum'. The mission of SIT is also to address societal problems and foster value-based education. One of the university's best practices is its outreach program, which ensures the participation of all students. We believe in nurturing well-rounded individuals who excel academically and contribute positively to society.

Through our Institutional Social Responsibility (ISR) initiatives, we provide students with opportunities to engage in meaningful projects that positively impact the community.

SIT's ISR program operates through two primary channels:

Service Learning: This mandatory, 4 credits, 120 hours course integrates community service with academic learning, allowing students to apply the skills acquired in the classroom to addressing real-world challenges. Students collaborate with established NGOs on diverse projects. Through hands-on experiences, students develop empathy, leadership skills, and a deeper understanding of social issues while making tangible differences in the lives of others.

Highlights:

- Digital Literacy
- Education and awareness
- Website and app designing
- Making and installing solar panels in rural schools
- Soil and Water survey and solutions
- Malaria survey
- Volunteering for animal shelters and creating shelters for strays

NSS Club at SIT HYderabad: This student's club is a platform for student-led initiatives. Focused on helping those in need and spreading awareness, NSS Student Club organizes various events, campaigns, and fundraising activities throughout the year. Projects range from environmental awareness drives to supporting underprivileged communities and offering disaster relief.

Highlights:

- Donation drives
- Flood relief
- Feeding programs
- Help during crisis (including Covid)
- Awareness programs
- Cleanliness drives
- Plantation drives

Benefits of Participation:

Engaging in ISR activities empowers students to:

- Develop social awareness and responsibility.
- Cultivate empathy and leadership skills.
- Apply academic knowledge in practical settings.
- Gain valuable work experience and teamwork skills.
- Make a tangible difference in the lives of others.
- Gain more confidence.
- Improve relations with peers and teachers.
- Develop a stronger bond with the institute.

Scholarships of SIT Hyderabad

With the objective of encouraging meritorious students and academic excellence, Scholarships/ Awards are offered to deserving students of the University by the Symbiosis Society Foundation.

<https://www.siu.edu.in/admissions/scholarship>

Sports Facilities

Sports Facilities available at SIT, Hyderabad

1. Football Turf
2. Volleyball court
3. Tennis court
4. 8 Ball Pool table
5. Table Tennis
6. Basketball Court
7. Multi-purpose ground for cricket and football

Inter-University Events

Elevating Sporting Spirit Across Symbiosis International University

The inter-institute tournament at Symbiosis International University serves as a vibrant platform where institutes within the SIU network converge to celebrate athleticism and competitive zeal. It's a mosaic of sporting events encompassing a wide spectrum of disciplines, uniting students in the pursuit of excellence and sportsmanship. Within this dynamic arena, our college shines as a beacon of sporting prowess and sportsmanship, embodying the spirit of healthy competition and holistic development.

At our college, participation in the inter-institute tournament isn't just about competing; it's about embodying the spirit of sportsmanship and promoting a culture of wellness and health. With a wide array of sports on offer, we enthusiastically engage in this annual event, showcasing our dedication to athletic prowess and holistic development.

All India University (AIU) participation

Fostering National Talent: Selection for AIU Level SIU Team

The inter-institute tournaments at Symbiosis International University not only serve as platforms for showcasing local talent but also act as gateways to national recognition. A dedicated selection committee meticulously evaluates each game, identifying standout performers who exemplify skill, sportsmanship, and teamwork.

From these tournaments emerge the cream of the crop, as the best players are handpicked to represent SIU at the All India University (AIU) level matches. These chosen athletes form the formidable SIU University team, poised to compete against the best talents from across the nation.

Notably, our college has consistently contributed a significant contingent to the SIU University team, a testament to the caliber of talent nurtured within our institution. Through our representation on the national stage, we not only uphold our college's legacy but also showcase the depth of talent and dedication prevalent among our student athletes.

Sports Events held at SIT

Elevating Sports Culture: Regular Events at SIT Hyderabad

At Symbiosis Institute of Technology (SIT) Hyderabad, sports are more than just games; they're avenues for fostering camaraderie, wellness, and joy. Under the guidance of our esteemed faculty in charge, Dr. Amulya, and the dedicated members of the sports council, we host a plethora of regular sports events catering to diverse interests and skill levels.

From thrilling cricket matches to fast-paced badminton showdowns, from intense basketball face-offs to exciting table tennis tournaments, our fun leagues offer something for everyone to enjoy. These events not only promote physical activity but also serve as platforms for building friendships and strengthening the bond within our college community.

In addition to our regular sports fixtures, we embrace the spirit of adventure with events like random fitness monsoon marathons, half marathons, and exhilarating treks. These activities encourage students to push their limits, explore the great outdoors, and embrace a healthy, active lifestyle beyond the confines of the campus.

At SIT Hyderabad, our commitment to sports goes beyond competition; it's about creating memorable experiences, fostering holistic development, and nurturing a lifelong love for fitness and well-being.

Sports Culture at SIT

Thriving Sports Culture at SIT Hyderabad: Fostering Excellence and Unity

Sports at Symbiosis Institute of Technology (SIT) Hyderabad are more than just extracurricular activities; they're ingrained in our culture, fostering camaraderie, discipline, and a spirit of healthy competition. Regular practice sessions across various sports not only hone skills but also serve as avenues for students to connect, bond, and push each other to excel.

Through consistent dedication and hard work, our athletes elevate their performance levels, attracting more students to join in the pursuit of sporting excellence. This growing participation not only strengthens our teams but also enhances our chances of success in inter-institute tournaments.

As our teams triumph in these competitions, the spotlight shines on SIT Hyderabad vibrant sports culture. Talented individuals from our college earn coveted spots in the SIU University team for AIU matches, showcasing not just their skills but also the collective strength of our institution.

At SIT Hyderabad, sports transcend the boundaries of the playing field; they're a testament to our unity, resilience, and unwavering commitment to success. Through sports, we cultivate leaders, forge lifelong friendships, and embody the values of teamwork and sportsmanship that define our college community.

Career counseling, Capacity development and skills enhancement

Career Counselling

The Institute has a very well organized placement and training cell. All the students of final year will be prepared for campus interviews through special programs on technical and soft skills, which would help them get prestigious jobs.

Other initiative for career counselling includes:

- To prepare the students for Aptitude test of different companies, we conduct aptitude and coding test by Codechef or Hackerrank, which in turn help them to scale well in aptitude and coding assessment by different companies.
- Courseera courses were taken up by the students on resume writing skill, group discussion and aptitude preparation.
- Career guidance session for Indian Army, Indian Navy i.e. defence services will be conducted in the year
- Digital marketing is booming new field where engineer can explore their analytical skills. We conduct awareness sessions for the final year students
- Interaction with some Alumni to train the students for specific job roles and understanding the company culture.
- Hackathons & Certifications by Microsoft, Google, Infosys
- Arrange different leadership talks from Industry personals

Capacity development and skill enhancement

Soft Skills:

Every year two activities will be conducted to enhance the different soft skills like personal interview, personality development, team building activity etc.

First activity is the mock GD and PI sessions organized by Placement cell of SIT for all the students who are eligible for placement.

Points Covered in Mock GD and PI:

- Physical Appearance
- Do's and don'ts of GD and PI
- Mock GD round
- Mock PI round of 15 mins with each student

The second activity is Communication Skills lab sessions which is conducted for First year students of SIT Hyderabad wherein sessions on Soft Skills are also conducted. Points Covered:

- Introduction to soft Skills
- Hard skills vs soft Skills
- Negotiation skills
- Team building
- Time management
- Personality development
- Telephone etiquettes
- Interview skills
- Interpersonal skills
- Intercultural communication and etiquettes

Language and Communication Skills:

Different activities were conducted to enhance the language and communication skills of the students.

First activity is weekly classes and lab sessions on communication skills conducted for all the first year students, in which different skills like resume writing, paragraph writing, business letters, presentation skills etc. are covered

Second is the weekly classes on Liberal Arts (German/ French) conducted for second year students. Students can choose one language of their choice out of German and French, in which students learn alphabets, phonetics, pronunciation, common vocabulary, short informal salutations, basic grammatical sentence structures etc. are covered

Life Skills(Yoga, Physical Fitness, Health & Hygiene:

In order to spread awareness about healthy lifestyle, yoga session is arranged. The students learn yoga and its health benefits. In order to spread awareness regarding road safety and rules regarding driving, SIT Hyderabad will organize a road safety week. The students learn the importance of obeying traffic rules. To improve the physical fineness Zumba sessions are planned to be conducted. It also promotes feelings of well-being and leaves you invigorated and energized.

Awareness of Trends in Technology:

In order to make the students aware of the latest trends and technology every department conducts guest lectures in each semester. An industry expert is invited for the conduct of guest lectures. They provide fresh approach to the topics, signify the relevance of the subject/topic from an industry perspective. The students are introduced to the current trends in the market.

INTERNATIONAL INITIATIVES

Symbiosis Centre for International Education (SCIE) : Overview

The Symbiosis Centre for International Education (SCIE) was formalized through a Board of Management (BOM) resolution made in February 2008. The resolution was the Out Come of the discussion that took place in the BOM related to Internationalization of Symbiosis International (Deemed University). It was realized that although the admission procedure for International Students and students' related services and events have been streamlined to a great extent, efforts are to be made to internationalize the curricula and the profile of faculty and staff in the University.

The mandate that has been given to Symbiosis Centre for International Education (SCIE) is to streamline the processes related to International Collaborations, participation in International Conferences & Seminars, International Student Mobility, Setting up of Area Study Centres etc. Dr. Vidya Yeravdekar, Principal Director, Symbiosis is the Executive Director of Symbiosis Centre for International Education (SCIE) under the aegis of the Symbiosis International (Deemed University).

The Symbiosis Centre for International Education (SCIE) is an integral part of the University, providing leadership and support to internationalize the campus and the curricula.

International students from over 85 countries pursue their undergraduate and postgraduate studies at Symbiosis. Students and faculty are provided with opportunities to pursue their international academic interests to the fullest, be it through academic exchanges, or exposure to international conferences, seminars, workshops, and other resources.
