ABOUT SIT HYDERABAD

Symbiosis Institute of Technology (SIT), Hyderabad, established in 2024 under Symbiosis International (Deemed University), Pune, offers a modern and holistic approach to engineering education by combining innovation, ethics, and global learning. Located in Modallaguda, Ranga Reddy District, the institute provides B.Tech programs in Computer Science and Engineering, Computer Science and Technology, Computer Engineering, and Artificial Intelligence and Machine Learning. Guided by the philosophy of “Vasudhaiva Kutumbakam” (the world is one family), SIT Hyderabad focuses on developing technically skilled, ethical, and socially responsible engineers. Its curriculum integrates industry internships, global exposure, liberal and performing arts, and interdisciplinary learning. With a fully residential, eco-friendly campus, advanced infrastructure, active student life, and strong industry and academic collaborations, SIT Hyderabad is rapidly emerging as a hub of academic excellence, preparing students to become innovative professionals and future leaders in technology.

ABOUT ATHLEON

Athleon is the annual sports fest of Symbiosis Institute of Technology, Hyderabad, scheduled to be held on 5th and 6th March, with the aim of promoting physical fitness, teamwork, and sportsmanship among students. The fest brings together participants from different departments to compete in a variety of indoor and outdoor sports such as football, basketball, cricket, volleyball, badminton, and athletics. It provides a platform for students to showcase their athletic talents, build confidence, and experience healthy competition. Apart from being a competitive event, Athleon also encourages unity, leadership, discipline, and collaboration among students while giving them a refreshing break from academic routines and contributing to their overall personality and skill development.
