Vision

Transforming lives through excellence in engineering education, cutting-edge research, and innovation, empowering individuals with the skills and knowledge to shape a better, sustainable future.

Mission

- **Design skill based Curriculum:** Develop a dynamic, career-focused curriculum that equips students with essential problem-solving skills, preparing them for both immediate employment and advanced studies.
- **Integrate Research with Learning:** Educate students on best practices in Computer Science by incorporating the latest research advancements, fostering a deep understanding of emerging technologies.
- **Advance Knowledge and Innovation:** Drive knowledge creation and dissemination in engineering, promoting research and innovation to solve real-world challenges and benefit society.
- **Strengthen Strategic Collaborations:** Build robust partnerships with industry, academic institutions, and international entities to create synergies that enrich learning and research opportunities.
- **Enhance Employability and Ethics:** Cultivate professional ethics and foster experiential learning to prepare students for successful, responsible careers.
- **Instill Ethical Leadership and Professionalism:** Develop ethical values, leadership skills, and professionalism in students, empowering them to contribute positively to community and societal advancement.

Dean's Message

**Prof. Ketan Kotecha, PhD
(IIT Bombay)**

**Dean, Faculty of Engineering
Symbiosis International
(Deemed University)**

Welcome to the dynamic world of engineering at SIT, where innovation is not just a goal but a way of life. At the forefront of technological advancements, we blend expertise, technology, and creativity to propel our community towards excellence. SIT stands as a centre for creativity, a beacon for learning, and a convergence point for ideas that shape the future. Our success is rooted in the unwavering commitment of our faculty members to academic rigour, groundbreaking research, and mentoring. Their dedication goes beyond the confines of classrooms, influencing the lives of our students in profound ways. Our overarching objective has always been to bring out the best in our students, moulding them into professionals with strong ethical and moral values. As you embark on your journey at SIT, you join a diverse community engaged in hands-on learning and cutting-edge research, paving the way for successful careers in business, government, or academia. Our faculty, involved in high-impact research across various domains, including Artificial Intelligence, Cyber Security, Blockchain, Data Science, Robotics, GIS, Nanoscience, Cloud Computing, Embedded Systems, Infrastructure Design and Building Information Modelling (BIM), ensures that our students are exposed to the latest advancements in their field. Through creative instruction, hands-on projects, and involvement in various student competition teams, our undergraduates and postgraduates receive an exceptional educational experience. Industry-sponsored capstone projects and internships further foster professional ties, laying the groundwork for post-graduation success. At SIT, we strive to create an inclusive and dynamic environment where excellence in teaching, research, and service is paramount. I look forward to working with each one of you and contributing to the success and growth of our vibrant engineering community

From Director's desk

Prof. Rajanikanth Aluvalu

Director

Symbiosis Institute of Technology, Hyderabad

It is a great pleasure and honour to serve as the Director of Symbiosis Institute of Technology (SIT), Hyderabad. I warmly welcome all students, faculty, and stakeholders to be part of our growing academic community.

Established in 2024, SIT Hyderabad aims to deliver world-class technical education and serve as a hub for innovation and research. We currently offer a Bachelor of Technology (B.Tech) program in Computer Science and Engineering, designed to equip students with strong fundamentals, hands-on skills, and a mindset for lifelong learning. Our mission is to nurture human potential and empower students to become socially responsible leaders and innovators. Our strength lies in our exceptional faculty and a diverse student community. Together, they contribute to a rich academic culture where learning goes beyond the classroom. The institute actively promotes research, with faculty and students publishing in reputed journals and participating in leading conferences globally.

To strengthen the education-industry interface, we host regular Industry-Academia Conclaves and emphasise internships and project-based learning. Our Career Development Centre plays a vital role not only in placements but also in preparing students for successful careers through mentorship and skill development. We continue to invest in state-of-the-art infrastructure, with advanced labs and research centres focused on artificial intelligence, data science, high-performance computing, and more. At SIT Hyderabad, we are committed to shaping the next generation of thinkers, doers, and changemakers. We invite you to join us on this journey of innovation, excellence, and impact.

Welcome to a journey of excellence, exploration, and endless possibilities.
